## Area Tax Agency Budgets Jump \$1.3 Million Over Last Year

By HARRY BARNES  
Press-Record Staff Writer

Fourteen major taxing agencies of the Quad-City area have adopted operating budgets calling for expenditure of \$1,344,736 more during their current fiscal year than during their fiscal periods of 1968-69, a Press-Record survey revealed today.

Budgets and appropriations of all 14 districts for the current fiscal year total \$33,790,687.

Last year's budgeted expenditures for the same agencies totaled \$2,462,231. This year's total appropriations for all 14 districts represent an overall increase of \$10,808,164 over budget totals of two years ago—the 1968-69 fiscal.

Specifically, 11 of the tax bodies boosted their appropriations by a total of \$2,760,033,

but three others—the city of Granite City, the city of Madison and Chouteau township—cut their budgets for a total of \$1,415,287 to leave a net increase of \$1,344,736.

**Costs Determine Rates**

The appropriation bills of the 14 tax agencies form the basis of tax levies which will be applied by the county clerk's office soon against new property values to determine tax rates for the 1970 year. These rates will be applied in extending tax bills to be collected next summer.

Higher appropriations which, in turn, require higher tax levies to meet projected expenditures, appear certain to confront area tax bodies with serious financial problems during the coming year because of decreased property valuations

caused by amendments to the assessing laws approved by the General Assembly in 1969.

The study of budget figures reflects a continued pattern of constantly increasing governmental operating costs in the Quad-Cities, with much of the increase represented in appropriations to meet salary boosts. Area growth and expansion dictating a need for expanded public services in every phase of operation also account for rising budget figures.

Of the total amount appropriated by all 14 Quad-City tax bodies, 79% is earmarked for expenditure for school purposes in Granite City district 9, Madison district 12 and Venice district 3—with Granite City's budget increase representing the bulk of this year's higher

## Voting Tuesday on Proposed Constitution

By GARY SCHNEIDER  
Press-Record Staff Writer

Quad-City area voters will go to the polls tomorrow to join in state-wide balloting on the proposed new Illinois Constitution.

Despite intense interest in the

overall Constitutional proposal and four separate propositions that have attracted both support and opposition from a multiplicity of organizations and civic groups, a light vote is expected.

Polling places in the Quad-Cities and other townships of

Madison County will open at 6 a.m. and close at 6 p.m.

Because constitutional proposals or amendments cannot be submitted on voting machines, paper ballots will be used. Madison County voters were introduced to the use of voting machines for the first time in the Nov. 3 general election.

In the Quad-City area, voters will ballot in 32 polling places in Granite City township, in 11 each in Venice and Nameoki townships and in four precincts in Chouteau township. A list of

polling places for the first precinct polling places is published in today's issue of the Press-Record.

The proposed constitution, if approved by the voters of the state, will replace the 1870 state constitution with a greatly revised document. Almost all of the articles in the constitution have undergone some change, and in some areas the change has been extensive.

In addition the voters have the task of deciding whether the death penalty should be abolished in Illinois, whether the voting age should be lowered to 18, whether Supreme, Appellate and Circuit Court judges should be appointed by the Governor or elected after being nominated in primary elections or by petition, and whether the 177 members of the House of Representatives should be elected by cumulative voting in multi-member districts or by single member district straight voting.

**Effective Date July 1**

The voters' choices on these issues will be written into the new document and, if it is approved, will become effective July 1, 1971.

The Preamble and Bill of Rights Article was revised to more fully describe the aims of government in the state. All of the individual rights in the 1870 Constitution have been retained. The voters' decision on the death penalty will be included in this article.

**The Suffrage and Elections Article** reduces the state residency requirement for voting from one year to six months and eliminates any county residency requirement. The General Assembly may require residence in the election district of not more than 30 days and may prescribe shorter residency requirements if it feels necessary under the proposed constitution. Lowering the voting age to 18 who be included in this article if it is approved Tuesday.

The Executive Article is one of the most drastically changed sections of the constitution. It makes all executive officials elected on four-year terms beginning in 1978 to avoid presidential election years. The governor and lieutenant governor are to be elected jointly, re-

## Supreme Court May Enter Legal Tangle in Levee Board Case

A prolonged legal battle over continued occupancy of four trustee posts of the East Side Levee and Sanitary District by incumbent levee board members was developing today in a series of moves stemming from the conviction of the four trustees on misconduct charges and a circuit court sentence ordering their immediate removal from office.

Those developments included:

1. The Illinois Supreme Court is scheduled to consider in Chicago tomorrow a request by Robert Rice, state's attorney of St. Clair County that he be permitted to file a motion challenging the retention of the four trustees in office pending their appeals of the circuit court conviction.

2. John J. Hoban, Belleville attorney representing the levee board members, said he would attempt to block consideration of Rice's request by the Supreme Court on grounds that he had not been served with notice that such action was scheduled.

3. A legal question as to Gov. Richard B. Ogilvie's authority to override an Appellate Court order by calling a special election to fill the levee board offices. The governor contends the trustees have been vacated by conviction of the four levee board members. Removal of the trustees was stayed, however, by a ruling issued by Appellate Judge Edward Eberspacher of Shelbyville.

**Convicted Sept. 21**

The levee board trustees—Morris Campbell, Lawrence Tolar and George Duff of East St. Louis and William "Mike" Eberspacher of Shelbyville—were

arrested of Venice—were convicted Sept. 21 in circuit court at Belleville by Circuit Judge Alvin H. Maes Jr. after a trial without jury. They were charged with awarding certain contracts without competitive bidding as required by statute and with overpaying levee district attorneys.

Maes sentenced the four to three years probation, fined each \$1250 and ordered their removal from office. Judge Maes turned down a request by Hoban to file a motion permitting the trustees to continue in office pending appeals to the Appellate Court.

Hoban then obtained a hearing before Judge Eberspacher who issued an order staying the circuit court action removing

## Air Search in Alaska For Couple in Plane

The former Miss Dale Reed Kaseberg and her husband, Dannie Smith, have not yet been located today, eight days after their plane developed engine trouble in Alaska. A massive search is continuing.

The couple was married Sept. 12 at the Second Presbyterian Church, Anchorage, Alaska, and has been residing in Naknek, Alaska. Mrs. Smith's parents are Mr. and Mrs. Howard W. Kaseberg, Rural Route One, Granite City.

Mr. Smith and his father operate a cannery and have a fleet of four airplanes, used to bring supplies to the company and town. Provisions brought on such flights include flour and nails. Mrs. Smith related to her mother a few days ago in a letter discussing the planned Dec. 8 flight.

The couple had flown from Naknek to Anchorage for sup-

For more than a year, two Quad-Cityans have frequently worked together at Arlington National Cemetery, Arlington, Va. They are Sgt. Paul Ashford, son of Mr. and Mrs. William J. Ashford, 1665 Second St., Madison, and Chaplain (Capt.) David E. Nyberg, former rector of St. Bartholomew's Episcopal Church, Granite City.

Sgt. Ashford, a 1967 graduate of Madison High School, is assigned to the U. S. Air Force Honor Guard, which is headquartered at Bolling Air Force Base, Washington, D. C.

He is often on ceremonial duty at Arlington National Cemetery in charge of color teams, pallbearers and the rifle firing party, and as enlisted flight officer.

The sergeant entered the Air Force in September 1967 and has served at Lackland Air Force Base, Texas, and Kirtland AFB in New Mexico. He is married to the former Janice Smith, daughter of Mr. and Mrs. Warren G. Smith of Madison.

### Women's Association of GC Steel Entertains 60 at Yule Dinner

One of the larger parties of the past week was that of the Women's Association of the Granite City Steel Co., held in the company building. Approximately 60 employees enjoyed the event, a highlight of which was the annual Christmas dinner.

The committee in charge consisted of Millie Clements, chairman, assisted by Terry Morgan, Delores Kieffer, Mary Jo Paul, and Sue Blumelster.

The members were seated at tables gay with the holiday colors in place mats, centerpieces of holly holding miniature carolers, and appropriate favors, and after the meal Santa Claus appeared laden with gifts for all and a program was given by the Granite City High School chamber orchestra directed by Linda Bean.

## How to Win Christmas Holiday Season Hostess Honors Outlined

How can you win top honors as a gracious and relaxed holiday hostess?

This Christmas season, you can be at your sparkling best—instead of in a last-minute panic—as your guests begin to arrive for that special festive occasion.

A study of what puts the homemaker into a holiday panic has shown that the big problem lies in those forgotten little duties that pile up before a party.

If you want to cut the accumulation of little chores down to manageable size, the basic rule is to plan ahead. Don't try to do too much in too little time at the eleventh hour.

Here are some specific tips on how to be a serene hostess:

Do your party marketing early. Well before Christmas, purchase staple products, those with a long shelf life, for your Christmas dinner or party.

Remember to include such items as cranberry sauce, soup stock, herbs for turkey dressing, olives, pickles and other packed delicacies. Keep in mind that fruit cake and plum pudding will improve in flavor if serving.

Be an early bird with cards and gifts. It's not enough to select your gifts and cards well ahead of Christmas. See that your cards are addressed and mailed in plenty of time. Don't let your gifts stack up in the closet without being wrapped.

As a bad weather project, enlist the children to put postage on the cards and make out tags for the gifts.

Check your table setting. Be sure that every element in your table setting is ready before that special occasion. Your table silver, salt and pepper collars, coffee service and other silver pieces need to be cleaned and polished days before the event.

If you're planning a very large gathering of family and friends, see that you have those extra serving pieces that are not regularly needed for the table. Your special table linen should be cleaned, pressed and ready to put on the table several days in advance.

Prepare decorative items and check furniture. If you want to use a centerpiece or other decorations with flowers, fresh or artificial, don't wait until the last minute.

Order from your florist or create your own mood with flowers several days before the party.

## Denise DeMott Is Betrothed

Among the engagement announcements of the pre-holiday season is that of Miss Denise Marie DeMott, a daughter of Mr. and Mrs. Everett DeMott, 86 Cambridge Drive, and Pvt. Kevin Michael Scannell, a son of Mr. and Mrs. James Scannell, 4801 Memorial Drive, Belleville.

The bride-to-be graduated from the Granite City High School in 1969 and is now attending SIU-SU. She is also employed at the university. Her fiancé is in the Army at Fort Dix, N. J., training to be a chaplain's assistant. He graduated in 1966 from Assumption High School in East St. Louis and attended St. Benedict College in Atchison, Kan.

Plans are being made for a February wedding, the date dependent on Army orders.

## Reasons for Democratsto Support Constitution Outlined by Scariano

"Why the Democratic party should not only endorse passage of the 1970 Constitution, but should use its organization to assure a favorable vote on Dec. 15" was the topic of remarks to the Constitutional Referendum Committee of the State Democratic Party by State Rep. Anthony Scariano (D., Park Forest).

He is a member of the Education and Judiciary Committees of the Illinois House of Representatives.

Rep. Scariano's views are as follows:

"For me, the 1970 Constitution does not go as far as I would like it to go.

"But my trust in my fellow members of the Convention fairly represented the attitudes of the people of this state and that the 1970 Constitution is a hopeful, positive document that expresses our desire to recover lost confidence in ourselves, and thus, in the objects of the government.

"I believe it has done this in several significant ways; the main ones being the following:

"1. A courageous and humane Bill of Rights that reassures the supremacy of the individual over his state and sets significant limits beyond which his government cannot go.

"With the adoption of the 1970 Constitution, we will be saying that in this State, we, the people, are even more jealous guardians of our rights than we were 100 years ago; that we recognize the dangerous uses to which new techniques may be put, and we will limit

them in favor of our individual privacy.

"We will be saying that we acknowledge the injustices that have prevailed despite the ancient guarantees, and we propose to end them, making equal rights to homes and jobs independent of the legislature; and in a new Article (XI) we have expanded the rights of individuals to include a healthful environment and rested on the individual his right to enforce them.

"An improved Suffrage and Elections Article that reaffirms the citizen's control over his government through the use of device known for this purpose... free elections with extensions, rather than limitations, of the franchise.

"And, a single authority under whose jurisdiction we will all come for the administration of this single most important political act.

"A more responsive and responsible legislature, through an article that makes the state's business important enough to warrant a legislator's full-time attention.

"The new Legislative Article, coupled with the new Revenue and Local Government Articles, go a long way toward removing those causes that have brought our state house into disrepute.

"Curb on 'Log Rolling'—They eliminate the need for local people to come hat in hand to Springfield to petition for the right to span a creek or paint a police car blue, thus eliminating the greatest single cause for the high degree of log-rolling that purely local legislation produces.

"The responsibility of the General Assembly for providing adequate revenues with which

to meet the major governmental needs of a large agri-industrial state is more clearly fixed.

"And the new Finance Article makes the General Assembly responsible for assuring that the state has used its funds for the reasons for which they were appropriated.

"A clear authorization to the people of this state to make changes in structures, to form new associations, to dissolve or to expand existing units, by their own initiative.

"Better Local Government—The Local Government Article, which I applaud as an innovative measure worthy of the tasks ahead, lends an importance and dignity to local government that should have the effect of freeing the many talented people to be found in every community to devote themselves to genuinely important decision-making.

"The Local Government Article says clearly that no Papa in Springfield can fix matters as well as free men and women in their own communities can act in their own self-interests.

"The new constitution does not say that 'the people' have to free themselves from the encumbrances of too many units of local government. But it does say that when enough people perceive the reasons for change, they are not inhibited from making them.

"This is a major and splendid advance over the 1870 Constitution.

"Simpler Task to Amend—Finally, the principle of self-government and confidence in our own ability to rule ourselves is further enhanced in a greatly improved amendment procedure that facilitates order

ly and peaceful change on the initiative of the people independent of the General Assembly; if that body persists, as it has in the past, in frustrating clear demands for change.

"I have serious criticism of some of the articles—especially the provision against a graduated income tax in the Revenue Article.

"But I am convinced, as were the members of the Convention, that the 1970 Constitution represents so substantial an improvement over the 1870 Constitution that it must be passed.

"The means for change provided in the Amendment Article are at once so much less impeding to popular will that I will take my chances, as must we all, on our ability to persuade fellow citizens of a need for correction of what I regard as an error in the Revenue Article experience demonstrates to all of us the magnitude of that error.

Trust in Common Man—The great traditions of the Democratic Party have always been in the direction of trust in the common man... from Jefferson, through Jackson, through FDR, through Adlai Stevenson, and John F. Kennedy.

It has always been a weakness of the Republican party, in our view, that it has feared the masses of people and has systematically attempted to divorce us from direct decision making.

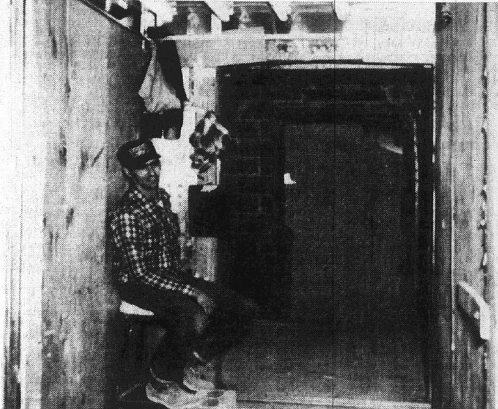

It would be ironic beyond belief if now, the only major political party in this state to endorse what is so clearly a less restrictive document on the rights and responsibilities of ordinary citizens, were the Republicans.

As Democrats, let us make official what most of us who have voted for office under the Democratic party label have already declared individually—that as a party we will join our fellow citizens, who are Republican, in a single undivided gesture of confidence in ourselves and our posterity—to reshape government as the times require, to the end that free men and women shall never lose their capacity for self-government.

Goal—To Remain Governable—The capacity of all major cities in the United States to remain governable is in serious doubt.

"Illinois, despite its damaging traditional city versus downstate cleavages, is presenting to not only its own people, but by example, to the people all over the United States, the heartening prospect for the city of Chicago, freed of the constitutional limitations that have brought it close to financial disaster, to govern itself and thus contribute—as cities must—to the social, economic and political lives of the millions of people in and around those cities.

"It is my opinion, somewhat biased perhaps, that the most enlightened suburbanites in attitudes toward the central city are Democrats.

GOING UP? Elevators in the new six floor hospital addition have been installed and are operational, but are yet unfinished on the inside. William Daley of the S. M. Wilson Co. operates one of the elevators which are kept busy carrying men and material between floors.

"It is, therefore, unthinkable that the mayor of Chicago, who also happens to be the chairman of the Cook County Democratic Committee, should not urge upon us all, the adoption of the 1970 Constitution, with its greatly improved prospects for his and our beloved city.

"Suburban Democrats are, I believe, overwhelmingly favorable to the new constitution, ready to abandon that narrow parochialism that has threatened Chicago's well being.

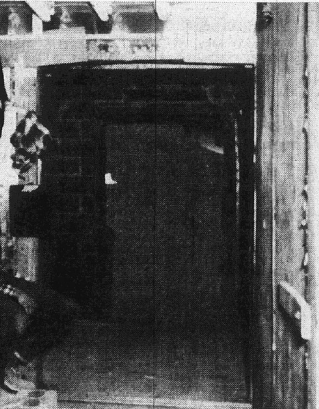

Yearning for 'Community'—The mayor's capacity for political leadership has made him a national phenomenon. I am confident that it will now be exerted to the fullest extent possible to do that which satisfies the best yearnings of decent men and women throughout Illinois in this year, 1970... a yearning for community and an atmosphere of confidence and trust.

"The new constitution goes a good way in that direction... toward restoring our respect as citizens, our respect for law and justice, and our respect for local and state government which we have unintentionally dissipated through a confused and unresponsive machinery.

"The alternative to violent revolution is responsive government based on principles of justice. There is no other alternative." Rep. Scariano concluded.

The party and Mayor Daley subsequently endorse a "Yes" vote tomorrow on the proposed new state constitution.

City Sued for \$12,000—A suit for \$12,000 has been filed against the City of Granite City for Ann Varge in Madison County Circuit Court at Edwardsville because of injuries she allegedly sustained in a fall on a sidewalk which had a hole in it on Dec. 13, 1969, at 19th Street between State Street and Grand Avenue.

Five Arrested, Charged in Beating of Woman—Five persons were arrested at 4 p.m. Thursday on charges stemming from the alleged beating of Miss Rosa McKel, 20, of 214 Cayuga St., on the evening of Dec. 3, police said.

Charged with battery were Roy Bellman and Betty Bellman, 2800 W. 20th St. Charged with disorderly conduct in connection with the incident were Terry M. Bellman, Beverly Bellman and Carolyn Thompson, officers said. They appeared in magistrate court in Granite City Thursday afternoon and were released on their own recognizance pending hearings.

Two-Car Collision—Autos driven by Steven J. Piechocinski, 17, of 2465 Sunbury Drive, and Dennis M. Giger, 25, of 3201 Wayne Ave., sustained minor damage at 6:34 p.m. Friday when Piechocinski's car collided with the Giger vehicle, police said.

Both drivers were traveling south on Namooki road, near the intersection of Johnson Road, when the accident occurred, police said.

## Scott Heads Move For Consumer Protection Act

Illinois Attorney General William J. Scott is taking the lead in efforts to draft a tough consumer protection act that will be submitted for adoption by the 50 states.

Scott met last week at O'Hare Inn in Chicago with members of the National Conference of Commissioners on Uniform State Laws to discuss provisions of the proposed uniform Consumer Sales Practices Act.

Albert E. Jenner heads the uniform state laws commission.

A consumer-protection act drafted by the commission was rejected earlier by the Midwestern Conference of Attorneys General as "too soft."

Howard Kaufman, chief of Scott's Consumer Protection Division, is chairman of the midwest A. G. conference.

The meeting was called at the request of the Midwestern Conference of Attorneys General with the goal of drafting a uniform consumer protection act that will be submitted for approval in February to the American Bar Association in Washington, D.C.

Following American Bar Association approval, the act then would be submitted to the legislatures of the 50 states for passage.

Attorney General Francis B. Burch of Maryland, president of the National Association of Attorneys General, met with Attorney General Scott at the O'Hare Inn this morning. Burch and 14 other Attorneys General or their representatives attended the uniform laws meeting.

Melvin E. Barron, 51, Dies; Here 45 Years—Melvin E. Barron, 51, of 14 Jones Park, Pontoon Beach, a Democratic precinct committeeman and bartender, died at 5 p.m. Thursday at St. Elizabeth Hospital where he had been a patient one week. Death was due to a combination of ailments.

Mr. Barron was born in St. Louis, but lived here 45 years. He was the business agent for the local bartenders' union for two years and served the same period as president of the Madison County Joint Council of Bartenders. He was the bartender at Mary's Tavern in Pontoon Beach.

He was also a member of the Long Lake Volunteer Fire Department for 16 years. He was appointed Democratic precinct committeeman for the newly formed ninth precinct when Nameoki township was redistricted a year ago.

He is survived by his widow, Mrs. Edna Barron; three sons, Leonard and William E. Barron of Granite City and Melvin E. Barron of Franklin Grove; one daughter, Miss Betty Lou Barron of Granite City; and two sisters, Mrs. Harry (Dora) Johnson of Eagerville and Mrs. Grace Myers of Denver, Colo.

Funeral services were to be held this morning. Details may be found in today's obituary column.

## Warrior Soccer Squad Bows 3-1

The Granite City High School soccer squad suffered its first defeat of the season Friday to St. Mary's of St. Louis by a score of 3-1.

St. Mary's was the Missouri "triple crown" winner last year, having won the Missouri state championship, the conference championship and the Christmas Holiday Tournament of Champions. Granite dealt the first goal scored upon St. Mary's this season in the home game.

St. Mary's clearly dominated the game, taking 12 shots on goal to seven for the Warriors. The winners scored on two foul kicks and one in regular play. The only Granite City score came on a penalty kick by Bobby Galvin.

The local squad will meet Gibault of O'Fallon in a game there at 4 p.m. today and will be at home against St. Louis Prep. Seminary at 4 p.m. tomorrow.

## Warriors Drop Two, To Host Tigers Friday

Granite City High School's basketball Warriors dropped two, Southwestern Conference games during the weekend.

They were defeated 65-53 Friday at Belleville-West and 75-60 Saturday at East St. Louis.

According to Warriors Coach Don Deterding, "Losing is never good, but against Belleville-West it was pathetic. We lost the ball to them 30 times, which is inexcusable. We could not advance the ball and their defense kept us a good 10 feet further out than we should have been, causing our timing to be off."

"We made a lot of rather stupid mental mistakes. The team is not consistent in their play which is a mark of inexperience."

The first quarter saw GCHS behind 17-11. The second quarter showed improvement as the Warriors scored 17 points to West's 18, making a 18-11 time score of 35-28.

In the third quarter the Warriors scored 16 and West totaled 17. In the final quarter of play, the Warriors scored 11 and Belleville 14.

Chuck Kraus, 6-3 junior forward, was high point man for the Warriors with 14. West guard Hackman scored 18.

The Warriors had 21 field goals, and 13 free throws compared to Belleville-West's 26

field goals and 14 free throws. The Warriors committed 19 fouls to 17.

In the rebound area the teams were about even. Chuck Kraus took nine of 24 for the Warriors. Scoring for the Warriors were Mike DeRuntz 12, Terry Ripka, Joe Wallace and Kevin Dyer with 8 each, Bob Wiggins 3 and John Ireland 2.

The Warriors played a much better game on Saturday at East St. Louis though they still lost 73-60.

According to Coach Deterding, "The team came back well and looked like a basketball team, compared to Friday night. They only lost the ball twice and had 70 shots as compared to 56. East Side has much height and you have to hit well to beat them. We could not get inside. We shot 25% the first half, and 44% the second half. All things considered I feel the Warriors played a good game."

Terry Ripka was high point man with 28. A 6-5 center named Moten scored 32 for East St. Louis and a 6-5 forward named Young shot 27 points.

Warriors made 24 field goals to 27 and 12 charity tosses compared to 19. The Warriors committed 16 fouls to 13 called against East Side.

East St. Louis dominated the rebounds 2-1.

Scoring for the Warriors were Joe Wallace 12, Wiggins 6, DeRuntz 5, Dyer 5, Kraus 4 and Ireland 2.

With five games played the Warriors record is 2-3, beating Springfield-Griffin and Collinsville. The other loss was to Mater Dei.

The Warriors will host Edwardsville Friday, Edwardsville has a 3-1 record, with Alton beating them. In the areas of size and jumping ability the two teams Friday will be about even.

Coach Deterding will present a video tape program of recent Warrior cage games, spotlighting a recorded play-by-play narration by Charles Logan.

The public is invited to attend. Refreshments will be served.

## Essington Leads Cougar Cage Team in Tripping Concordia

Coach Jim Dudley gambled Saturday night and the bet paid off as his Southwestern basketball team rallied to upset Concordia Seminary of St. Louis, 81-79, on a last second shot by senior guard Rich Essington.

Trailing 45-39 at the intermission, SIU-SW appeared to have little chance of catching the veteran Preachers, who had racked up an 11-game winning streak over two seasons and were 8-0 for the current campaign. The Cougars are now four-and-one.

Shortly after the second half began, Dudley took his gamble... he ordered his Cougars into a fullcourt press. And, while the new tactic didn't result in any cheap baskets it did appear to rattle the visitors and upset their offensive patterns so much that SIU-SW was able to get back into the game.

Said Dudley: "I knew I had to do something and the boys have been pressing good these past two seasons. Importantly, it worked. The boys proved to themselves that they can do it."

SIU-SW caught up with Concordia with 2:33 remaining in the contest as Essington hit from 20-feet out to tie the score at 79-79. After regaining the ball at 1:15 to go, Essington and his teammates went into a stall until 11 seconds remained on the clock.

Calling time out, Essington inbounded the ball, which was immediately passed back to him. Rich then dribbled straight toward the key and, on the move, let fly with another high - arching shot which barely rippled the cords as it went through with the winning two points.

His two-point made Essington high point man for the game with 23. The losers' Larry Williams was next with 21 and was trailed by the Preachers' season high-scoring, Bob Siefert, who finished with 19.

Said Coach Pete Peterson of Concordia: "We were in trouble when Otis Ward held Siefert to seven points in the first half. Counting this game, Peterson added, "I've seen Southern play three times and their improvement is simply amazing. It was due to the fact that Dudley only started out with three players back from last season. They'll really be the best as the season continues."

Dudley, while pleased by his team's big performance, turned in by his big players... 6-7 Jim Brown, 6-8 Gene Bounds, 6-4 Jerry Bloemer and 6-4 John Nelson.

"Jim (Brown) finally realized that his size and weight could get the job done for him—and us—and he held them to just two baskets the last half," Dudley explained. He added: "Brown has realized that you can't be a nice guy and win in basketball."

Buy that, I mean, you have to use your weight and push back down there under both boards. He's got to get that ball for us and he has the size to do it."

Ferry Bloemer, in addition to scoring 15 points, pulled down seven rebounds to match Ward's and Thurnburg's totals. Bounds, who is the tallest Cougar at 6-8, is still hampered with a sprained finger on his shooting hand.

The Cougars will again be at home this Friday when they host the University of Tennessee, Martin, at the Edwardsville High gym.

## Speedy Cage Trojans Finish Fast, 76-69

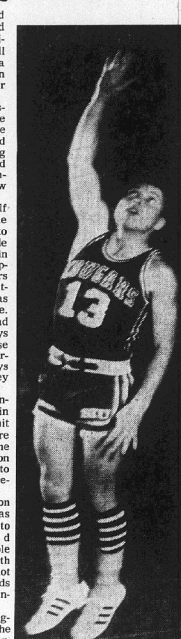

Tasting defeat three times in 1969-70 at the hands of Triad (St. Jacob, Troy and Mariner) High School, the host Madison High School basketball players Friday night rang up a 76-69 victory, aided by a 20-11 third-quarter performance.

Trailing 14-13 and 39-35 after the first two quarters, Coach Larry Graham's MHS Trojans moved ahead 55-50 and outscored the visitors 21-19 in the final period.

Ed Chandler, 5-11 junior guard, kept busy with 18 points on nine jump shots, including eight points in the crucial third quarter. Triad was led by John Nemnich, 6-3 senior, who held 13 points but racked up 13 rebounds.

Senior Douglas Griggs, 6-3 senior, chalked up 14 rebounds and tallied 11 points.

Other MHS scorers were senior Henry Rhodes 11, senior John Fletcher nine, junior Clinton Burkhal eight and sophomore Jerry Belford, six. Their team outshot Triad 24-24 from the field to effect a 21-14 disadvantage at the free throw.

## Steady Venice Lead Lost in 65-64 Game

A jolting experience—leading 23-15, 35-30 and 50-49 at the quarters but losing 65-64—was suffered Friday night at East St. Louis' Lincoln High School by the Venice High basketball Red Devils.

"I thought we played well, but with a free throw but Derrick Boochee tallied a field goal for a 61-59 Lincoln edge."

Doug Johnson, a 15-point performer, hit a goal and a free throw to put the Red Devils ahead 62-61 but June Davis countered with a basket and a 63-62 Tiger lead.

Algie Smith, who totaled 10 points for Venice, regained the lead on a steal and layup, but Derrick Stanton scored on a jump shot with a minute left.

Lincoln stole the ball and froze it until Davis drew a foul, missing two free throws.

Very noisy of Venice grabbed the rebound but the Red Devils lost the ball off-boards twice and time ran out.

**Royals Triumph in Bradley Division**

Royals downed Celtics 32-16, with Matt McCullough's 14 points and David Wood's nine points leading the way in Bill Bradley Division (5th - sixth grades), basketball, Thursday night at Maryville School.

In the Rick Barry Division (4th-5th grades), it was Rockies 19, Hawks 17 (Lee Heubner eight and Chris Bellmer 12) and Kings 15, Lakers 4 (Tom Greco eight and Roger Boker and Robert Chastain two points each).

**Man Shot in Arm at Eagle Park Acres**

George Lott, 115 Booker St., Eagle Park Acres, told Madison County sheriff's deputies that he had been shot in the left upper arm by someone in a passing car before 3 a.m. Saturday.

He was taken by friends to St. Elizabeth Hospital where he was admitted. Lott said he had been at a tavern before the shooting.

Deputies first were called to a service station on Route 203 but saw nothing unusual and then went to the tavern where they found blood on the bar and on the floor.

**Returns from Hospital**

Mrs. Gerie Lorenz, 2807 East 24th Street has returned to her home from Normandy Osteopod is Hospital in Normandy, Mo., and is recovering from a hip fracture.

## Cougar Equipment Manager, Now 34, Eyes Job as Coach

Among the 40 candidates for the 1970-71 basketball team at Southern Illinois University-Southwestern greeting new Coach Jim Dudley before the season got under way was Sanford C. Covington. The Cougar cage squad has now been cut to a more manageable 15 members and the 34-year-old Covington was one of those cut.

But, the slim Covington is still an important part of the Cougar basketball picture. His unflinching cheerfulness and spirit helps to keep the Cougars in the mood to play their best.

"I knew it was a desperate act on my part, trying out for the team, but I had played some good basketball at St. Louis' Washington Tech High and I have kept myself in good shape in my stints in the U. S. Air Force and the Army," said Dudley. "He's doing a great job and his spirit is con-

tagious. His good humor helps to keep the players relaxed at our games."

Covington says "It's more than just being part of the team... It's my hope to become a coach when I graduate and I thought that I could learn more about coaching being at the workouts and games than at my classes."

Following his discharge from the Army in June of 1967 Covington came back to St. Louis and renewed an acquaintance with Freda Hayes, whom he'd first met when both were classmates at St. Nicholas Grade School. In June of 1966 they were married and he took a job with the U. S. Post Office.

Encouraged by his wife, who teaches fourth grade at the Urban School in the St. Louis public school system, Covington enrolled at Forest Park Community College and received his associate degree in liberal arts last August. During those two years, he was also a physical education teacher at the Philip Neri School in north St. Louis.

"I've always liked coaching," Covington says and cites some

results: he coached a girls' team on which his wife played to the city softball championship in 1962 and coached his brother, Ronald, 31, and his baseball in 1962.

Covington also won some honors in athletics himself. In his senior year at Washington Tech he tied the high jump record set by William Elazier in 1947 and also captained the Tech basketball team for two seasons at a guard position.

Covington is very optimistic about this year's Cougar cage hopes and the future. "I believe that Coach Dudley will have a winning season and, as far as the future is concerned, SIU-SW has to be one of the nation's top collegiate basketball powers. This St. Louis area, on both sides of the river, produces some of the country's best high school players and we'll get our share as time goes on," he predicts.

dio and said they were returning to Anchorage. No further messages have been received.

Mrs. Smith's parents-in-law had given her an early Christmas gift—a fur parka.

The insulated parka protects in temperatures as low as 52 degrees below zero and we are hopeful they have been able to withstand the cold.

Mrs. Howard Kaseberg said.

There have been a number of cases in which flyers downed in Alaska were able to survive in makeshift shelters. Water can be obtained in such cases by melting the snow.

The plane had traversed a relatively flat area and was approaching a mountainous area known as "The Gap" at the time of the engine trouble. The return toward Anchorage was over the prairie area.

Despite adverse weather, 375 search hours had been recorded through yesterday, the Kasebergs have learned. Thirty planes were participating, including U. S. Air Force and Navy.

Mrs. Smith is a graduate of Granite City High School. She has attended Northwestern University and Washington University, and did research in cancer detection at hospitals in Honduras, Central America, and Geneva, Switzerland. She returned this year from the Phutabat Hospital in Sarai Buri, Thailand.

Mr. Smith, a son of Mr. and Mrs. Roy Smith, is a graduate of Miami University, Miami, Fla. He served in Germany with the U. S. Army before being discharged.

## State Removes Charges As Victim Disappears

Charges of armed robbery and aggravated kidnapping against an East St. Louis man have been removed from the Madison County Circuit Court docket.

Released from custody was Larry Isaac, 24. He had been charged with two other men in the armed robbery, kidnapping and shooting of Mary Snell of Madison, a service station attendant, whom authorities are unable to locate, according to Robert Tene, assistant state's attorney.

Of the two other East St. Louis men charged in the case, Eddie Woods was sentenced to a term of two-to-five years in prison and Michael Crockett was placed on probation.

## MORE ABOUT Alvin Evanoff

Ruth W. (DeWitt) Freppon, 8802 Park St., Collinsville, and the late Steve Evanoff of Madison.

Mrs. Freppon said today the services of the late Alvin Evanoff, 34, of Granite City, were held at a letter Saturday, dated Dec. 4, in which Spec. 4 Evanoff stated he had completed his last flying mission and was to be assigned to different duties in his outfit.

## Received Ring Tuesday

Miss Nelson also received an engagement ring from her fiancé Tuesday, the soldier's mother said.

Details of the crash have not yet been received by Mrs. Evanoff, although it was learned the aircraft was located in Quang Nam and positive identification of the wreckage established. There were no survivors.

## Home in October

Spec. 4 Evanoff had been serving in Vietnam since late February and was due to return home in about three months. He had spent a 30-day compassionate leave at home in October, due to a death in the family and rejoined his unit in the combat area the first of November.

He was a member of B Company, 138th Aviation (Assault Helicopters), 101st Airborne Division. He had been based in the north coastal section of South Vietnam, since arriving overseas.

The soldier initially volunteered as a helicopter gunner and later was promoted to crew chief. His unit worked in conjunction with U. S. Infantry troops and took part in numerous rescue operations and similar missions.

In another helicopter crash earlier this year, Spec. 4 Evanoff was injured, losing a leg. He was released after x-rays were taken. His wife, Mrs. Freppon, said. Thirty-seven infantrymen were on board the aircraft at the time.

## Holds Decorations

Spec. 4 Evanoff held several decorations.

After graduation from the local high school, he was employed as a welder at Laclede Steel Co., Madison. He entered the Army on Sept. 8, 1969, and received training at Fort Ord, Calif.

In several years the family resided in Cleveland, O., where the serviceman attended grade school. Upon returning to Granite City, they resided in the 2500 block of Lincoln Ave. and moved to Collinsville two years ago.

Besides his mother and stepfather, William Freppon, Spec. 4 Evanoff is survived by two brothers, Stephen of Granite City and Anthony of Madison; four sisters, Mrs. Harold (Bonnie) Payne of Aurora, Ohio; Mrs. Harold (Ruth Ann) Larson of Collinsville, and Misses Mary and Antonia Evanoff, both at home; his grandfather, Alvin DeWitt and grandmother, Mrs. (Mabel) Cavin, both of Madison; a great-grandmother, Mrs. Della Rogers of Madison; in step-brothers, Specialist Five Larry Freppon, stationed with the Army at DaNang, Vietnam, and David, Daniel and Douglas Freppon, all of Dupu; and four step-sisters, Misses Patricia, Rose, Billie and Jackie Freppon, all of Dupu.

Mrs. Freppon said the serviceman's best friend, Larry Dowdy, whose mother resides at Kirkpatrick Homes, received permission today from the U. S. Navy to escort the casket from Oakland, Calif., to the Quad Cities.

Seaman Dowdy is serving aboard a vessel in the Sixth Fleet which is preparing to leave for Southeast Asia.

Military services will be conducted at a Madison funeral home. An obituary notice appears elsewhere in today's issue.

At 2:20 a.m. Saturday, police and firemen were summoned to the accident scene when a fire started in the unoccupied truck cab. The blaze caused considerable damage to the vehicle, police said. Origin of the fire was not determined.

Two persons were injured

## GC Steel Co. to Honor 83 For 25 Years Service

Eighty-three employees who have completed 25 years with the Granite City Steel Co. in 1970 will be honored tomorrow at an annual awards service at the company's general office building in Granite City.

Nicholas P. Veeder, chairman of the board and chief executive officer, will present awards to the 25-year veterans, each of whom started to work for Granite City Steel in 1945.

The rate of turnover at Granite City Steel has traditionally been low and the average length of service for all of the company's approximately 5,000 employees is 14 years.

Granite City Steel is the largest steel producer in the St. Louis area.

The company manufactures hot and cold rolled sheet, galvanized sheet and other flat rolled steel products for steel users in a 25-state market in the Midwest, South and Southwest.

## Five Hurt in One Auto Accident; 14 Area Mishaps

Fifteen persons were injured in one traffic accident while four persons were hurt in another Tuesday, police reported.

Thirteen persons were injured in 14 area accidents.

Five persons, including children 1 and 2 years old, were injured in a two-car accident at Brown Avenue and Oriole Street in Venice at 1:30 p.m. Saturday after someone knocked over the stop sign at the intersection.

The auto of Thomas Pickard, 121 Hampden St., Venice, southbound on Oriole Street, collided with the auto of Walter Hallock, 1608 Seventh St., Madison, injuring both drivers and three members of Pickard's family who were passengers in his car, police reported.

Hallock, 69, was released after x-rays of his ribs were taken at St. Elizabeth Hospital.

Pickard, 25, was treated at the hospital for contusions to his left leg and was released after x-rays were taken. His wife, Claudine Pickard, 18, was injured by a blow to the left leg and released after x-rays.

Two children were also injured. One-year-old Coleen Pickard, who was riding on her mother's lap in the crash, was injured by a blow to the head when she struck her head on the dashboard of the car, and Kevin Pickard, 2, was treated for minor injuries sustained when he struck the rear of the front seat. Both children were x-rayed and released.

## Four Persons Injured

An accident involving a tractor-trailer truck and auto on Route 3, near the Granite City Animal Shelter at 1 a.m. Saturday resulted in injuries to four persons, including two who were hospitalized.

Police said the truck driver, Douglas Frost, 25, of Louisville, Ill., traveling north on Route 3, reported driving off the road way to a two-car collision with an oncoming vehicle which struck the truck's trailer section. Both vehicles came to a halt in a roadside ditch.

Driver of the automobile was not determined by police. Those in the car were Julian A. Wallace, 34, of 1605 Elizabeth St., Madison, owner of the car, who was uninjured; Linda Martin, 26, of 3010 Kirkpatrick Homes; Nathalie Martin, 40, of 1415a Nidringhaus Ave.; and Delmar Keel, 31, of 2500 27th St.

## MORE ABOUT Voting Tuesday

moving the possibility of their being of different political parties. The state auditor will be replaced by a comptroller and the superintendent of public instruction would be appointed.

The governor also will be replaced by a comptroller and the superintendent of public instruction would be appointed.

The Legislative Article prescribes restricting every ballot and authorizes annual sessions for the General Assembly. The minimum age for service in the General Assembly is also reduced to 21 in the new proposal. The question of retaining or changing the voting system for the general election will be added to this section after the voters have chosen between the two available methods.

The Judicial Article provides for a Judicial Inquiry and Review Commission to receive and initiate complaints against judges and to investigate such complaints. The power to impeach judges is left with the General Assembly. If the constitution is approved Tuesday, the voters' decision sets the appointment or election of judges will be included in this section.

The Finance Article is a new article with no counterpart in the 1870 constitution. It makes all financial records public property, available for public inspection, and provides for the taking of income tax on a non-graduated level and limits the corporate income tax rate. The abolition of personal property tax "as to individuals" passed by the voters in November is also included in this article. This has been one of the most heatedly contested sections of the proposed constitution.

The Education article sets up a State Board of Education which, under the authority of the General Assembly, will appoint the chief state education officer.

The Environment Article is a new section to fight pollution. Individuals are given the right to take legal proceedings against polluters.

The General Provisions Article requires all candidates for public office to file sworn statements of economic interests, prohibits the reduction of government employees' retirement benefits, and declares public transportation an essential public service qualified for public assistance from the state if such assistance is needed.

The Constitutional Revision Article sets up guidelines for amending the new constitution if it is accepted. It provides for the submission of proposals either by the General Assembly or by public petition.

HOLIDAY PROGRAM AT NAMEOKI PTA TUESDAY

Plans have been completed for the Tuesday, Dec. 15, Nameoki PTA meeting, which will begin at 7:30 p.m. Children from kindergarten classes and the fifth and sixth grades will be featured in the program.

Music numbers will be directed by Mrs. Mildred Heger, and a play produced by and starring fifth graders will be presented.

and taken to St. Elizabeth Hospital for treatment as the result of a two-car collision at the intersection of State streets, Madison, at 3:30 p.m. Friday.

Earl Hoskins, 44, of 1122 Logan Ave., Venice, was one of the cars, was treated for pains in his right arm and a laceration in his left arm. Police said Hoskins' car collided with one driven by Albert Caldwell, 74, of 1200 Market St., Madison, a passenger in the Caldwell car, was treated at the hospital, x-rayed and released.

Caldwell was ticketed for failure to yield while turning left and driving without a valid driver's license. He posted \$50 cash bond pending a magistrate hearing.

A Collinsville man was injured when he apparently lost consciousness while driving his pickup truck on McCambridge Avenue near Third Street in Madison at 11:50 a.m. Thursday and struck a guy wire on a utility pole, police reported.

Herbert D. Morgan, 47, was taken to St. Elizabeth Hospital where he was treated for lacerations to his forehead and a hematoma to his head. He was released after treatment.

Police said Morgan was northbound on McCambridge Avenue when the truck veered across the roadway, jumped the curb and struck the guy wire breaking the pole and damaging the truck.

Timothy Wallace, 19, was injured when his auto veered out of control and struck a utility pole at 1:15 a.m. today at 18th Street and Madison Avenue.

He was admitted to St. Elizabeth Hospital with slight nasal bleeding, pains in the right lower chest, abrasions to the upper chest and lacerations to the lip. X-rays were taken of the skull, spine, chest, face and knees.

Earl Hoskins, 44, of 1122 Logan Ave., Venice, was one of the cars, was treated for pains in his right arm and a laceration in his left arm. Police said Hoskins' car collided with one driven by Albert Caldwell, 74, of 1200 Market St., Madison, a passenger in the Caldwell car, was treated at the hospital, x-rayed and released.

Caldwell was ticketed for failure to yield while turning left and driving without a valid driver's license. He posted \$50 cash bond pending a magistrate hearing.

A Collinsville man was injured when he apparently lost consciousness while driving his pickup truck on McCambridge Avenue near Third Street in Madison at 11:50 a.m. Thursday and struck a guy wire on a utility pole, police reported.

Herbert D. Morgan, 47, was taken to St. Elizabeth Hospital where he was treated for lacerations to his forehead and a hematoma to his head. He was released after treatment.

Police said Morgan was northbound on McCambridge Avenue when the truck veered across the roadway, jumped the curb and struck the guy wire breaking the pole and damaging the truck.

Timothy Wallace, 19, was injured when his auto veered out of control and struck a utility pole at 1:15 a.m. today at 18th Street and Madison Avenue.

He was admitted to St. Elizabeth Hospital with slight nasal bleeding, pains in the right lower chest, abrasions to the upper chest and lacerations to the lip. X-rays were taken of the skull, spine, chest, face and knees.

## MORE ABOUT Voting Tuesday

moving the possibility of their being of different political parties. The state auditor will be replaced by a comptroller and the superintendent of public instruction would be appointed.

The governor also will be replaced by a comptroller and the superintendent of public instruction would be appointed.

The Legislative Article prescribes restricting every ballot and authorizes annual sessions for the General Assembly. The minimum age for service in the General Assembly is also reduced to 21 in the new proposal. The question of retaining or changing the voting system for the general election will be added to this section after the voters have chosen between the two available methods.

The Judicial Article provides for a Judicial Inquiry and Review Commission to receive and initiate complaints against judges and to investigate such complaints. The power to impeach judges is left with the General Assembly. If the constitution is approved Tuesday, the voters' decision sets the appointment or election of judges will be included in this section.

The Finance Article is a new article with no counterpart in the 1870 constitution. It makes all financial records public property, available for public inspection, and provides for the taking of income tax on a non-graduated level and limits the corporate income tax rate. The abolition of personal property tax "as to individuals" passed by the voters in November is also included in this article. This has been one of the most heatedly contested sections of the proposed constitution.

The Education article sets up a State Board of Education which, under the authority of the General Assembly, will appoint the chief state education officer.

The Environment Article is a new section to fight pollution. Individuals are given the right to take legal proceedings against polluters.

The General Provisions Article requires all candidates for public office to file sworn statements of economic interests, prohibits the reduction of government employees' retirement benefits, and declares public transportation an essential public service qualified for public assistance from the state if such assistance is needed.

The Constitutional Revision Article sets up guidelines for amending the new constitution if it is accepted. It provides for the submission of proposals either by the General Assembly or by public petition.

HOLIDAY PROGRAM AT NAMEOKI PTA TUESDAY

Plans have been completed for the Tuesday, Dec. 15, Nameoki PTA meeting, which will begin at 7:30 p.m. Children from kindergarten classes and the fifth and sixth grades will be featured in the program.

## A. O. Smith Workers Vote Favors UAW

The United Auto Workers was chosen to represent the 937 employees of the A. O. Smith Co. next year in a close election during the weekend.

The International Union of Boilermakers, Local 575 is the present labor representative, but if no objections to the election are filed, the National Labor Relations Board will certify the auto workers as the eligible bargaining agent on Dec. 21. The present contract with the boilermakers does not expire until Dec. 31.

Of the 835 votes cast, 434 favored representation by the auto workers union and 401 were for retaining the boilermakers union as bargaining agent. There were no valid ballots and only seven were challenged on eligibility grounds. No votes were cast for refusing either union.

A. O. Smith makes frames for the Chevrolet Division, General Motors plant in St. Louis.

## Antique Car Destroyed In Garage Fire Sunday

An antique, 1922 Model T Ford coupe in running condition was destroyed in a garage fire at 1:50 p.m. Sunday at the home of James F. Mount, 2226 E. 24th St. Value of the car was not known.

Granite City firemen, who were at the scene 55 minutes, said the garage, valued at \$500, was a total loss, also the contents of the frame building, listed at \$500. Origin of the fire was undetermined.

## Assembly Leaders Picked By GOP: See Senate Fight

Republican members of the Illinois General Assembly selected their leaders Friday — State Rep. Robert Blair of Park Forest as candidate for Speaker of the House and Sen. W. Russell Arrington of Evanston as Senate leader.

Blair was nominated by acclamation while Arrington was re-elected to the Senate leadership during a three-hour meeting called in a test of his leadership. Sen. William Harris of Pontiac was the unsuccessful challenger.

Actions by both bodies are subject to a vote by the respective chambers when they convene and organize Jan. 6.

Senator Arrington is confronted with a split of 29 Democrats and 29 Republicans on the senate during the approaching legislative session. As a result, he said he would not venture to guess whether he will be elected majority leader or minority leader when the Senate organizes.

"I will be either the weakest majority leader or the strongest minority leader in the history of the legislature," he commented.

**Will Seek Opinion**  
Arrington told newsmen after the caucus in which he was re-named Senate Leader that he will take the position that Lt. Gov. Paul Simon (D-Troy) does not have the right to vote on either organization or legislative matters, and said he will seek an opinion from Attorney General William J. Scott as to whether Simon has voting power.

Blair, 40, who won attention in the 1969 legislative session for overcoming opposition to the \$2 billion bond issue for the Illinois highway program, was nominated by Rep. George Burditt of LaGrange who had been his chief opponent.

Blair said that he will appoint Henry Hyde of Chicago as majority leader, Rep. Kenneth Miller of Sterling, assistant leader, Burditt, assistant leader for Cook county, and Rep. Arthur Teleser of Chicago, as whip.

**Mrs. Helen Kulasza, 55,  
Dies; Resident 21 Yrs.**  
Mrs. Helen Leona Kulasza, 55, 648 Fourth St., Madison, died at 11:20 a.m. Friday at St. Elizabeth Hospital. She had been ill 11 days and entered the hospital at the same time.

Born in Knoxville, Iowa, Mrs. Kulasza had resided in Madison for 21 years. She was a member of St. Mary's Roman Catholic Church of Madison.

Surviving are her husband, Stanley Kulasza; one daughter, Mrs. Michael (Judith) Gavurik of Lake Zurich, Ill.; and three sisters, Mrs. Anna Fedchak of St. Louis, Mrs. Leo (Agnes) Collado of Detroit, Mich., and Mrs. John (Margaret) Kulasza of Madison.

Funeral services were held today. Details are given in the obituary column.

**Trash Fire Ignites  
Garage; \$800 Loss**  
Burning trash at the rear of the James McDonnell residence, 2949 Iowa St., was blamed for a fire which ignited the garage at 12:26 p.m. Saturday.

The blaze resulted in a loss of \$800 to the frame structure and \$200 loss to the contents. Firemen from the main station were at the scene 30 minutes.

**Two-Car Collision**  
A collision at the intersection of Madison Avenue at 28th Street at 1:38 p.m. Saturday involved vehicles operated by Gary C. Davis, 30, of 2820 Dale Ave., and Mrs. Letta O. Brinkman, 1338 Iowa St. Police said Mrs. Brinkman attempted to make a left turn from Madison Avenue into 28th Street and collided with Davis' pickup truck which was traveling south on Madison.

## MORE ABOUT Supreme Court

the trustees from office. Meanwhile County Clerk Eulalia Hotz of Madison county and County Clerk Dan Ring of St. Clair County, acting on the circuit court ruling, notified the governor's office that vacancies exist in the trustee posts.

Governor Ogilvie issued a special election call last week, setting a primary election May 4 and a runoff election June 22. A spokesman for the governor's office said Ogilvie considered the offices vacated upon conviction of the trustees, regardless of appeals.

**Challenges Right to Office**  
In his request to the Supreme Court, Rise is asking the court for permission to file a motion challenging the trustees' retention in office. Rise contends Illinois law provides for immediate removal from office of officials convicted in such cases.

Hoban said that whatever action is filed in the case, he as defense counsel has a right to know about it. He said he would write Chief Justice Robert S. Taylor a bill of particulars of the court's consideration of Rise's motion.

Notably the leave board is made up of five members, but one seat has been open since the death of Joseph Grant of Granite City in June, 1969.

## John Gitchoff Is Head Of Building Commission

John Gitchoff, Granite City attorney and corporation counsel for the city of Madison, was elected chairman of the new Madison County Public Building Commission in its first meeting at the courthouse in Edwardsville Friday.

Commission members considered present and future building needs for the county government and began a study of existing reports concerning required facilities resulting from county growth.

Among reports being considered is one prepared several years ago by the Southwestern Illinois Metropolitan Area Planning Commission recommending construction of a new jail, construction of a new building for non-related court functions and remodeling of the present court-house building to be used only for court-related functions.

In addition to Gitchoff, commission members are Harold Fisher, chairman of the board of the First Granite City National City Bank; Ed Morrissey, a Godfrey contractor; William Flippo, an Alton contractor; and Nelson Hagnauer, Granite City township supervisor.

Harold Landolt, chairman of the county board of supervisors who appointed the commission members, also named five ex-officio members to serve in an advisory capacity. They include Miss Eulalia Hotz, county clerk; John Kraynak, county auditor; Nicholas G. Byron, assistant state attorney; Jerome Klein, assistant supervisor of Collinsville township, and Roy Halbe, supervisor of Hamel township.

school costs. School budgets of the three districts provide \$20,483,816 for the Granite City district, \$2,562,944 for the Madison district and \$1,824,386 for the Venice district—a total school budget total of \$24,870,248.

#### GC School Budget Up

Madison's school budget of appropriation increase of all 14 agencies before applying the reductions made by the three tax bodies which effected lower appropriations this year.

Granite City's current school budget is an increase of \$1,346,373 over last year's total of \$19,137,243, or an amount slightly greater than the overall \$2,562,944 is an increase of \$247,580 over its 1969-70 appropriation, and Venice district's projected expenditures of \$1,824,386 is an increase of \$244,382 over its last year's appropriation figure.

The principal budget cut was made by the city of Madison which trimmed its current budget by \$820,548 from last year's total of \$1,642,685, for a 1970-71 budget of \$792,137. The reduction, however, resulted from the elimination of expenditures which were made last year out of reserve funds used in development of the Stephen Maers Industrial Park. Consequently, the cut does not represent a prospective reduction in the tax levy or the tax rate.

The city of Granite City is now operating on a 1970-71 budget of \$3,198,019, down \$547,124 from last year.

#### Sewer Costs Cut

The budget reduction in Granite City resulted from lower appropriations for sewer repairs. Last year's Granite City budget of \$3,745,143 included an item of \$828,000 for repair costs growing out of a continuing series of sewer breaks.

Chouteau township reduced its current operating budget to \$138,600 from last year's figure of \$166,225, but all of the other three townships of the Quad City area approved higher budgets.

The city of Venice adopted a

### Teachers Union Head Attends Meet Here

David Selden, national president of the American Federation of Teachers, told a meeting of delegates of ten area teachers locals in Granite City Thursday night that the teachers federation is growing rapidly, with expansion emphasized in the south.

Selden, who expressed pleasant surprise at the extent of membership in the Southwestern Area Council of the AFT, whose delegates attended Thursday night's meeting here, said that the national membership of that organization now exceeds 100,000.

He told the delegates that he will recommend financial and physical assistance to aid further development of the Southwestern Area Council. Delegates attended the meeting to discuss mutual problems of the Southwestern Area Council.

Federation locals whose delegates attended the session included those of the Quad-City area, Belleville, Collinsville and Dupo. The meeting, following a social period, was held at the Travelodge of Granite City.

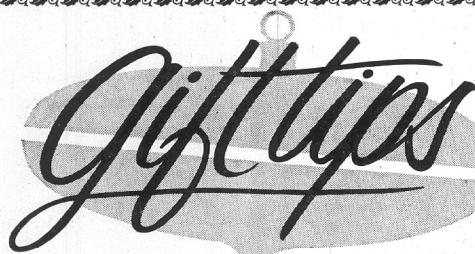

Earlier Thursday Selden visited in East St. Louis to assist in setting up a three-man commission to investigate circumstances of the 12-week work stoppage by East St. Louis teachers.

### Auto Strikes House

Russell E. Cozart, 20, of 2861 Iowa St., was charged with illegal possession of narcotics, driving while intoxicated and reckless driving after his auto struck a fence at the home of Rose Venditto, 3028 Iowa St., and then the home of Doris Stark, 3006 Iowa St., at 8:25 p.m. Sunday.

### Break-In Attempt

An attempt to enter the home of Mrs. Carolyn Kester, 2916 Buxton Ave., was reported at 12:15 a.m. Sunday. The would-be intruder tried to pry open the front door and attempted to push open windows at the dwelling, the householder told police.

## Veteran on Second Tour In Vietnam on Mail List

A Granite City soldier back in Vietnam for his second consecutive Christmas is listed in today's Yule Mail Call, the 16th list of local servicemen to be published in the 1970 pre-Christmas service project.

Publications of names and addresses of Quad-City men and women in the Armed Forces will continue until Christmas week, with local relatives, friends and church or service organizations invited to submit names to the Press-Record, 1815 Delmar Ave.

In a letter to the newspaper from Vietnam, Specialist Five Gary W. Barron writes: "If you remember, I sent you a letter addressed to my parents last Christmas, and asked if you would print it. You did and I really appreciated it more than words can say."

"This year I am in the same place in Vietnam with the 4th Cavalry, 25th Infantry Division. I am sending another letter of thanks to my parents through you. If you are unable to publish it, I will understand."

Sincerely, Sp/5 Gary W. Barron.

"Dear Mom and Dad: Well here I am again in the place where I said 'I would never go back to.' You know why I came back here so I won't go into that now. I just wanted to tell you how much I love both of you. I won't be home for Christmas, not in person, but in my heart I will always be there."

"We had some disagreements while I was home and I want you to know that I am sorry for anything I may have said. I will be home in a few months so don't worry about me too much. Love, Butch."

"P.S. Have a very happy Thanksgiving and a Merry Christmas. Say 'hi' to Glenn, Ellen, Sis, Terry and Marcia."

The soldier also included a short note to Mr. and Mrs. Bob Boyd of Granite City which expressed his appreciation to the couple for their efforts in helping young people through their popular square dance program.

Spec. 5 Barron, 21, volunteered for Army duty on Jan. 23, 1968, while in his senior year at Granite City High School. Initially, he was stationed in Germany with an artillery unit, but volunteered to serve in Vietnam and transferred to the 4th Cavalry in February 1969.

Currently, he is back about

35 miles northwest of Saigon, near the Cambodian border, in the same general area where he spent last Christmas.

A request from Spec. 5 Barron to Mayor Donald Partney in May 1969, for a city flag to be presented in city flags selected for all three local communities. Those submitting a service-man's name and address to Yule Mail Call are asked to include his rank, serial number, full address and APO and FPO, when applicable. The area of service will be noted in parenthesis following the mailing address when provided.

## Dr. S. F. Maer Attends Meeting in Las Vegas

Dr. Stanley F. Maer, Granite City optometrist, returned Friday from a meeting of the executive committee of the International Association of Boards of Examiners for Optometry, which was held this past week in Las Vegas, Nev.

Dr. Maer represented the Illinois State Board of Examiners at the meeting where executive committee members from all 50 states were in attendance.

The purpose of the interim meeting was to review rules and regulations in regard to improving licensing procedures.

While in the western part of the country, Dr. Maer went to Phoenix, Ariz., where he attended lectures by an international ally known contact lens expert, Dr. Leonard Brontstein.

Dr. Maer is past president of the Illinois Optometric association.

## Faces Four Charges

Madison police arrested Charles Ray, 25, of 2202 Cleveland Blvd., at 10:50 p.m. Thursday and charged him with discharging firearms in the city, having no valid firearm owner's identification card, failure to transfer his automobile registration and operating a vehicle in violation of his license restrictions. Police said he fired a shotgun in an alley in the 1400 block of Fifth Street about 10:30 p.m.

## Charged After Accident

Thomas Moslander, 2710 Center St., was charged with careless driving after his car collided with the rear of the school building principal's car on 18th Street near Edison Avenue at 3:50 p.m. Thursday.

## Madison School District Free Lunch Policy Set

Madison School District 12 announced today the establishment of a policy to determine children eligible to receive free or reduced price lunches. The school district has long recognized the need for helping meet the nutritional needs of students.

A well-balanced, nutritious lunch is served each school day in the following attendance centers: Blair School, College and Meredocia, Dunbar School, Third and Jackson, Harris School, Seventh and Alton; Junior High School, Third and Alton; Louis Baer School, Rhodes and McCambridge; and Madison High School, Sixth and Fairish.

The charge to students who can pay is 20 cents elementary and 25 cents high school daily. However, since some families may find it difficult to pay the full price for their children, the school will provide these lunches free or at a reduced price to those children determined eligible. Fred A. Riddle, superintendent of schools, is the authority responsible for making determinations.

Families who believe that their children may be eligible for free or reduced price lunches are urged to apply. Copies of the application form and information regarding procedures for application were sent to parents Dec. 14. Additional copies may be obtained or the complete district policy may be reviewed by any interested person at the school building.

## Will Be Notified

The completed application, signed by an adult family member should be sent to the school building principal. Such applications will be reviewed within five days and the family will be notified in writing of the

decision made. Information provided on the application will be held in the strictest confidence.

Decisions for approval will be based primarily on the family income level according to a national guideline used by participating schools throughout the United States and prescribed by the Secretary of Agriculture, as indicated below.

Any unusual circumstances or hardships which affect the family's ability to pay for the lunches will also be considered. If a family is not satisfied with the decision made regarding their application, they may appeal the request to Fred A. Riddle, superintendent of schools, who will review the application to try to make satisfactory arrangements. The district policy will be applied fairly and uniformly to all children and will be effective Jan. 1. Parents who believe they may qualify are urged to apply as

it is the sincere desire of the district to reach every child who may need the benefit of a nutritious lunch at school.

A family with one child is eligible if the gross annual income is \$1,920 or less and a family with two children is eligible if the annual income is \$2,320 or less. Other categories of the schedule are: three children, \$3,120; four children, \$3,720; five children, \$4,270; six children, \$4,820; seven children, \$5,320; eight children, \$5,820, and \$450 additional income to reach additional child.

## 10 Regions Part of State Tourism Meet

A quarterly meeting of the State of Illinois Tourism Officers' Council was held Thursday in Springfield.

Local region representatives attending were Ralph Stauffer, George Gregory and Wayne Schlosser of Belleville, Clarence Fonke of Breese, Harry Truitt of Vandalia and Dale Henry of Carle. All are officers and directors of Southwestern Illinois Expedition.

The council is composed of officers of the 10 regions of the state and is a volunteer group working to promote tourist attractions in the state. The Quad-Cities are in Region Eight.

Last year, Illinois realized over \$16 million in revenue from tourists visiting attractions throughout the state.

## Transit Funds Released; Bi-State to get \$250,000

Gov. Richard B. Ogilvie has approved the release of \$451,500 to the Illinois Department of Local Government Affairs for grants to publicly owned transit systems for transportation of pupils to and from school, it was announced Friday.

Department Director Robert J. Lehmann said that of this amount, the Bi-State Development Agency at St. Louis, will receive \$250,000 on a lump sum basis. The system has submitted to the department a certification of the number of rides furnished, and the method for determining and controlling the figure based on the average daily rides.

He said agencies which will receive quarterly grants out of the total amount released are: The City of Peoria, \$250,000; Peoria Transit System, \$80,000; City of Elgin, \$16,000, and the Springfield Mass Transit System, \$71,500.

## Prather Junior High Yule Program Tonight

The vocal department of Prather Junior High School will present its annual Christmas program in the school at 7:30 p.m. today.

The program will include presentations by the Freshman Mixed Chorus, the Girls' Glee Club, Girls' Sextet and other ensembles, trios and mixed groups.

Mrs. Isabel Schmidt, vocal director, is in charge of the program.

## Plan Junior Leader Training For Scouts

The Chokio Mound Council, Boy Scouts of America, will hold special junior leader training at Camp Sunnen near Potosi, Mo., it was announced today by G. Rollin Henn, president of the local council.

Scouts who will be patrol leaders of Boy Scout troops attending camp will go to Camp Sunnen one week in advance of their troops.

Under the leadership of a specially trained member of the camp staff the patrol leaders will spend a week learning the functions of a scout patrol and leadership skills. Troops attending Camp Sunnen camp, cook and live the patrol method of scouting for the entire week. Scoutmasters are being sent special applications to register for the camp and will serve as patrol leaders for the training.

The fee for the Junior Leader Training week will be \$16 for each scout and it is restricted specifically to boy leaders. Regular camp fee is \$26.

President Henn said, "By having this special week of training, boy leaders not only will insure troops attending better experience, but will help strengthen their troop when it returns home by having well trained boy leaders."

The first group of patrol leaders will arrive at camp June 13th and the first week of regular camp will begin on June 20.

During the months of March, April, May and June special pre-camp training will be given scoutmasters at the monthly scoutmaster meetings.

The adult training also will include a special weekend program prior to camp opening.

## Name Firm to Study Chicago Airport Needs

Gov. Richard B. Ogilvie last week announced award of a \$280,000 contract for study of the need, timing and feasibility of a third Chicago-area airport. A consortium of the Ralph M. Parsons Co. of Los Angeles and Systems Analysis and Research Corp. of Washington, D.C., was chosen from 12 firms that submitted proposals.

"We are going to take an objective look at what the Chicago area will need to remain the world's air hub through the year 2000," he said, adding that all affected governments "will benefit from the criteria and alternatives developed by the study."

The study, expected to take six months, will also be concerned with the financial feasibility of other means of meeting future aviation needs of the metropolitan area. Site selection and related questions are to be considered later. The City of Chicago and the airlines have pledged their cooperation in the study.

## Fire Marshal Explains Yuletide Safety Rules

"Less than 60 seconds are required for the average Christmas tree to burn completely," said State Fire Marshal Robert E. May, warning Illinoisans to be mindful of safety when selecting toys and decorations. He said only electrical toys and tree decorations approved by the Underwriters Laboratories should be chosen.

May said Christmas trees should be watered daily to slow the drying process and that when needles near lights begin to turn brown, these lights should be relocated. He advised against use of cotton, paper or other flammable material on or near the tree, against placing electrically powered devices around trees, leaving a lighted tree unattended and placing lighted candles in windows.

The City of Chicago and the airlines have pledged their cooperation in the study.

## 200 Attend Installation Of Triple Lodge Officers

Public installation ceremonies for officers of Triple Lodge 833, AF&M, were conducted last week at the Granite City Masonic Temple. More than 200 members and guests witnessed the annual event.

Installed as Worshipful Master was Harold L. Coy, who will serve in the post during 1971. He succeeds Robert L. Chinn.

Principal speaker was Norman Ruecker of Springfield, Ill., whose address was based on the topic, "What is Freemasonry and What Freemasonry is Not."

Other elected officers for 1971, who were installed included Harold K. Carver, senior warden; Howard Bolton, junior warden; William J. Mehl, treasurer; and Lindsay M. Church, secretary.

Lodge officials appointed to serve in executive posts were Richard L. Provest, senior deacon; Richard Wright, junior deacon; Martin Love, senior steward; Grant H. Harrison, junior steward; Euel Buford, marshal; Harold George, organist; and Stephan Krotetz, tyler.

On Installation Team Members of the official installation team who were introduced by the immediate past worshipful master, included John W. Barks, installing master; Mel Ross, installing chaplain; Melvin Almon, installing marshal; and Roger L. Wade, installing secretary.

The ritual ceremonies were preceded by a musical introduction presented by the officers and choir of Job's Daughters, Bethel 43. Entertainment followed dinner was provided by the colorful Aimee Temple Oriental Band.

Presentations to the retiring top officer included a past master's jewel, presented by W. M. Coy and a past master's ring.

## State's Traffic Accidents

Deaths Toll is Decreasing

One hundred and ninety-four persons were killed in Illinois traffic accidents during November, according to Public Works Director William F. Cellini. This is a decrease of 12% from the 221 reported killed in November, 1969. Traffic deaths totaled 2,104 during the first 11 months of this year—220 fewer than the 2,324 recorded in the corresponding period of 1969.

Noting that Illinois' highway death toll is the fastest declining of any of the 50 states, State Police Supt. James T. McGivern credited the decline to improved state highways, increased use of new interstate highways and intensified surveillance of roads by the state police force, which has been enlarged by 200 men.

## Strongarm Attempt Made on Motorist

An attempted strongarming was reported to police at 11:30 p.m. Friday by Bobby McDaniel, 2111 Amos Ave., who said the incident occurred about two hours earlier at Niedringhaus and Madison Avenues.

McDaniel said three individuals entered his auto while he held for a traffic signal light at the intersection and tried to strongarm him. One assailant carried a knife and struck him, McDaniel told police. None of the attackers was known to the victim, police said.

## GC Steel President, Chairman, On Panel

Top management personnel of Granite City Steel Co. will be put on the firing line during a question and answer session at the regular monthly dinner meeting of the company's Management Club tonight in the main office cafeteria.

Among those answering questions will be Nicholas Veeder, chairman of the board; Lyle Gulley, president, and several vice-presidents. Questions have been prepared in advance by the club members to give the panel members time to research the specific topics.

Dinner will be served at 6:15. The program is scheduled for 7 p.m. Members wishing to submit last minute questions should contact Dave Dumoulin at station 436. All salaried employees of Granite City Steel are invited to attend.

## County Bond Purchases \$386,160 in October

Madison County residents purchased a total of \$386,160 in series E and H United States savings bonds in October according to Henry D. Karandjeff, Granite City, county chairman of the savings bonds committee.

Purchases in the state of Illinois were \$25,379,956 according to Clarence S. Sechowski, North Central market director of the Treasury savings bonds division. This is 5.75% above last October. In the first 10 months sales in Illinois amounted to \$4,075 of the 1970 dollar quota of \$301,900,000. The Illinois total represents 6.73% of the national total of \$407,000,000.

# Read why this Broybill Premier Blanket Rocker

is such an outstanding value at this low price!

Beauty, of course, is an immediately obvious reason. But there's a comfort story here that really deserves telling. Not only does this chair offer you truly deep, plush sitting pleasure on the revolutionary new 5L foam and fiber cushion, but it comes with its own blanket too, held neatly on the trim blanket rail. What's more, this lovely chair exemplifies the vigorous spirit of the Colonial era. Think of it! All this beauty, comfort, and quality construction for one low value price. You'll appreciate the great value time and again, especially on those chilly Early American evenings!

## Nation's Railroad System Necessary, But In Need of Government Financial Help

America's railroads will be a permanent and necessary part of our nation's transportation system, for decades to come, but many railway companies are presently facing a financial crisis which requires government help, according to Joseph E. Lanterman, chairman of Amsted Industries.

Speaking before a luncheon meeting of the Automobile, Machinery and Metals group of the Investment Analysts' Society of Chicago, Lanterman noted that, "The railroads continue to be the nation's biggest hauler of freight, carrying 41% of the intercity traffic, and unless they are healthy, our economy will be not healthy."

He said the condition of the railroads is of concern to Amsted since railroad products are an important segment of the company's business. In its 1970 fiscal year, Amsted's sales, accounted for \$10,700,000 in sales, or 40% of the company's total volume of \$27,400,000.

By 1960, it is expected that the railroads will be handling one-third more traffic than to day, and Lanterman estimated that to keep pace with this demand, on the average, 75,000 new freight cars will be needed each year.

"The railroads themselves have organized a group called America's Sound Transportation Review Organization (ASTRO), to inform the various publics of this impending crisis," Lanterman said. Among other things, ASTRO recommends support of two bills re-

cently introduced by Senator Warren Magnuson of Washington.

The first bill, S.463, would establish a non-profit corporation to own a pool of general purpose freight cars. The second proposal, S.464, would provide government guarantees of loans to the railroads for equipment and facilities.

Lanterman said the current slowdown of demand for railroad products, coupled with the generally weakened state of the economy, will adversely affect the company's earnings in the December quarter - American Steel Foundries of Granite City is associated with Amsted.

In addition, other factors which hurt Amsted's earnings in October and November were the continued low level of demand for machine tools, starting up problems in connection with a new cupola for melting iron at a New Jersey cast iron pressure pipe plant which are being corrected, insufficient demand for pre-coated steel at a new Pennsylvania plant, and the General Motors strike.

Lanterman said the strike hurt automobile product lines and particularly cut demand for locomotive components used by the G.M. Electro-Motive Division.

**Some Prices to Increase**  
He said the price of metal scrap, which is a principal raw material used in Amsted's foundry plants, although still higher than a year ago, is down substantially from a peak reached in February. In addition, the company's interest expense is down, intensive cost reduction programs are continuing, and further selective price increases, where business conditions permit, will go into effect in early 1971.

"Although our crystal ball is not clear for the future, we feel we will be fortunate to earn in this quarter half of the \$1,500,000, or 64 cents a share, earned in the same quarter last year," he commented.

He noted the company is in new fields with good future growth potential such as plas-

tic pipe, powdered metal parts, and the pre-coating of sheet steel.

Lanterman said the company's 1970 annual report to stockholders which was released today showed Amsted continues to be in excellent financial condition. The company previously announced its fiscal 1970 sales were a record \$274 million. Net income was \$8 million or \$2.92 per share.

### New Adult Telecourses Planned on Ketc-TV

Seventeen new adult telecourses will premiere on KETC, Channel 9, next month, according to James B. Barnes, KETC's director of programming services.

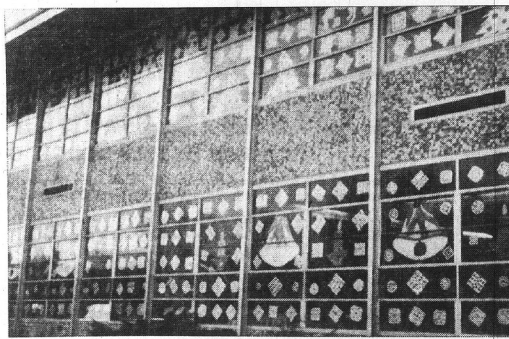

Enrollment in all 17 telecourses is open now. Channel 9 members, those persons contributing \$10 or more in tax-deductible membership fees each year, and non-members may enroll in the telecourses of their choice by first signing up as personal members of Channel 9.

Telecourse enrollment forms may be obtained by writing the Membership Services Department, KETC, Channel 9, 6996 Millbrook Boulevard, St. Louis Missouri 63108. First of the telecourses will be aired beginning Tuesday, Jan. 5, Barnes said.

Printed viewer guides, telecourse schedules, and textbooks will be provided to all viewers enrolling in the telecourses. Materials from some of the telecourses also include discussion leaders' guides and/or individual examination forms for in-telecourse testing.

Many of the telecourses are offered at alternate viewing times, Barnes reminded, so that a viewer will not be limited to one air time to follow his series.

## Aid to Law Enforcement Everyone's Duty -- Howlett

The entire citizenry, not just the police department, should work for better law enforcement, Michael J. Howlett, state Auditor of Public Accounts, said at a dinner of the Champaign County Law Enforcement Officers' Association in the Karavan Club in Rantoul.

He said the American policeman is doing an excellent job in spite of poor pay, inadequate training, long hours, dangerous work, and many other handicaps.

"The burden of law enforcement should not be just the job of the policeman," he said. "As individual citizens, as community leaders, as public officials, we all have an obligation to improve the conditions under which a policeman must work."

"We should elect officials who insist on enforcing all laws uniformly. Nothing erodes respect for law more rapidly than selective enforcement."

**Losses Respect for Law**  
"A man who steps from a home with illegal plumbing and wiring and then receives a ticket for jaywalking is bound to lose some respect for law."

"We should not burden policemen with still more unenforceable laws. For example, take all the laws concerned with alcohol. One in four of all arrests is for drunkenness."

"What must it mean to a policeman who, night after night, rounds up the same drunks and repeats the same boring story? Wouldn't it help if we turned over this problem, with other health problems, to the doctors?"  
"We must do something about the availability of guns, especially hand guns. The President's Commission on Violence estimates there are 90 million firearms, including 24 million hand guns, in this country."

### Sidney Harth to Be Symphony Solist

The brilliant American violinist Sidney Harth will be the featured soloist with the St. Louis Symphony Orchestra Thursday and Saturday at 8:30 p.m. at Powell Symphony Hall. Assistant Conductor Leonard Slatkin will be on the podium for both performances.

Harth will be heard in Mendelssohn's Violin Concerto, and the Orchestra will also play Three Places in New England by Charles Ives and Symphony No. 5 by Dmitri Shostakovich.

Sidney Harth has built a background which includes performing, conducting, music education, ensemble work, and criticism, as well as television performances and lectures.

The young artist has been acclaimed the world over for his maturity, individuality, imagination, and command of his medium. He is equally at home with the works of Brahms, Beethoven, Bartok, Wieniawski, Prokofiev, and Delio Joo.

## Curb Extravagance at Universities--Ottwein

"The recommendation by the Illinois Board of Higher Education to increase tuition charged by state universities to one-third of actual cost has the entire educational community buzzing," retires State Senator Merrill Ottwein noted last week in defending the role of the board.

"There has been some political exploitation of the issue. It's a handy one to speak against because no one wants to pay, out of pocket, more than he has to. But Peter's pocket and Paul's pocket are in the same suit of clothes. Let's examine a point or two of perspective."

"How should tuition be determined? What is fair to which classes of people? Is a college education a 'right' to be provided, 'free' to all comers or not?"

"Higher education is expensive and it's getting rapidly worse as new curricula are added, capital expenditures for buildings are demanded and more people take advantage of the opportunities," Dr. Ottwein said.

"Who benefits? Obviously, higher education benefits the individual scholar and his society. The question is: If we allocate costs to the real beneficiaries, how much should each pay?"

**Missourians Attracted**  
"It is, of course, a judgment on which agreement is difficult. The public currently has the lion's share of the costs. The board's proposal would raise the students' share to one-third of actual costs for Illinois residents and more for out-of-staters."

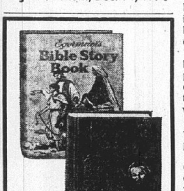

"We are far below our neighbors at the moment and are, as a result, attracting large numbers of students from other states. Some universities are actually recruiting in order to justify more funds, etc."

"The proposal to increase tuition is not without merit. I feel that the student should pay a portion of the cost of his education. I don't believe 1/3 is unreasonable."

"To the talk I hear that some would make higher education absolutely free—as is a common school education—I disagree for the following points:

1. "Emerson's quotation is valid: 'That which we achieve too easily, we tend to value too lightly.' Making higher education, and the inherent opportunity,

## St. Louis Defeats Airport Bill Delay

**YULE DINNER PARTY**  
The St. Louis Board of Aldermen defeated 22 to 6 Friday a move to delay consideration of a bill that would authorize the city of St. Louis to join with the state of Illinois in a bi-state airport authority that would construct and operate a major metropolitan airport on the Illinois side of the river.

The proposal was introduced by Alderwoman Mrs. Doris Bass who sought delay of board action until the state of Missouri can complete a study of possible sites for construction of an airport in Missouri. Joseph Barranco, president of the board, was the only Republican to vote against the delaying resolution.

Mrs. Bass said there are no guarantees that St. Louis workers would get construction jobs in the building work if it is in the Illinois area. She asked what is to become of the \$200 million airport revenue bond issue (for Lambert field) that was approved in 1968.

The Federal Aviation Administration has rejected a Mission request for matching funds for an airport study and urged Missouri state officials to cooperate in the Illinois airport project.

in the morning, with singing and a preaching service. Guest speaker for the day was Rev. Harold Gillison, pastor of the Living Waters Tabernacle, who spoke from the Bible on the topic of "Influence."

Music was provided by a trio, Mrs. Agnes Dillard, Mrs. George A. Hindman and Mrs. Jackie Watkins. They sang several hymns including "After All," accompanied at the piano by Mrs. Hindman.

Community singing with Christmas carols was held. The tables were decorated in a holiday theme with poinsettias, holly and evergreen centerpieces. A pot luck dinner was served, followed by an afternoon of quilting.

Attending were those mentioned and Rev. and Mrs. Gillison, Rev. and Mrs. Leroy Filibrey, Miss Mable Gaskill, Mr. and Mrs. Roy Marshall, Mr. and Mrs. Virgil Honeycomb, Mr. and Mrs. Bert Stradin, Mr. and Mrs. Boyce Hutchins, Mr. and Mrs. Evelyn Stark, Mr. and Mrs. Harvey Steward, Mr. and Mrs. Riley Williams and Mesdames Oney Evander, Vickie Kent, Ola Fowler, Leffia Lewis, Daisy Worthen, Lizzie Davis, Della Burns, Grace Burns, Lucy Barnett, Jenny Bloodworth, Jesse Zinner, Virgie Daniels and Luella Fischer.

**BIRTHDAY DINNER**  
Miss Pat Frazier and Mrs. Nedra Hollis of Third St., Madison, were hostesses for a birthday dinner in honor of Miss Frazier's father, William Frazier, 2532 Lincoln Ave., in their home Thursday evening. The honored guest was presented with gifts. A large decorated cake adorned the dining table and dinner guests were the honored wife, Mrs. Helen Frazier, and daughter, Barbara, and Mrs. Hollis' son, Jeffrey.

A new member, Mrs. Margaret Harper, was honored as "queen of the week" Thursday evening in the home of Mrs. Esther Reutzel, 1648 Rock Road. The queen was presented with a club's silver tiara and a basket of fresh fruit.

The leader, Mrs. Bernice Gergen, called the session to order and the weight recorder, Mrs. Katherine Smith, conducted roll call.

Others present were Leona Benham, Ruby Corbett, Darlene Hartzel, Jackie Schulte, Mary Nemeth, Marjorie Peel, Eunice Dennis and Pat Hirschbach and Misses Gail Culpeper and Gloria Harper.

Communications were read by Mrs. Dennis and Mrs. Schulte and new rules for the chapter were discussed. Plans were made for the annual "queen of the year" coronation Jan. 30. Names were drawn for a gift exchange for a Christmas party Thursday, Dec. 17, in the Reutzel home.

Mrs. Reutzel closed the meeting with prayer and games were played. Prize winners were Mrs. Nemeth, Mrs. Dennis and Mrs. Gergen. Anyone who wishes to join the club may contact Mrs. Nemeth, membership chairman, at 931-5205 or the secretary, Mrs. Corbett, at 877-2460.

**SECOND BIRTHDAY OF DAWN BOONE**  
Dawn Boone, a daughter of Mr. and Mrs. Sylvester Boone, 1303 Kirkpatrick Homes, celebrated her second birthday with friends and relatives at a party given by Mr. and Mrs. Raymond Gilmore, 1503 Kirkpatrick, in their home Saturday afternoon.

Approximately utilized a birthday motif, with a large cake decorated in a "Mickey Mouse" theme. At each place setting was a party hat and balloon favors. The honoree was presented with many gifts.

A dessert luncheon of cake and ice cream was served to the honoree, her parents, maternal grandparents, Mr. and Mrs. Albert Chapman, and the hosts' children, Carol Ann, Dennis, Debbie and Patty.

MRS. JOSEPH MORRISON. The former Patricia Ridge, she was married Saturday at St. Margaret Mary Catholic Church.

### Patricia Annette Ridge Weds Joseph Morrison

The wedding of Miss Patricia Annette Ridge, a daughter of Mr. and Mrs. Mike Ridge, 2805 Sunset Drive, and Joseph Anthony Morrison, whose parents are Mr. and Mrs. Pat Morrison, 2428 Grand Ave., took place Saturday afternoon at St. Margaret Mary Catholic Church.

White flowers on the altar and hurricane lamps down the aisle entwined with smilax and white satin ribbon, provided the setting for the ceremony performed at 2 o'clock by the Rev. Robert Becker.

The bride wore a gown of gardenia white silk organza. The Empire bodice of Venice lace had a high neckline and full bishop sleeves with wide cuffs of matching lace. The softly gathered skirt was floor-length with a removable court train. A veil of illusion cascaded from a cap of lace trimmed with seed pearls and the bride carried an off-side cascade of white roses, stephanotis and camellia foliage.

Mrs. Jim Stockton was matron of honor for her sister, and Misses Kathy, Patti and Liz Morrison, sisters of the bridegroom, Mrs. Larry Orasco, another sister, and Mrs. Reggie Nichols served as bridesmaids.

They were dressed alike in gowns of rose velveteen with high jeweled necks and fitted waistlines. The skirts were gathered and long puff sleeves ended in French cuffs. Their flowers were cascades of pink carnations, white pom poms and camellia leaves.

### JUANITA REBEKAH LODGE 477 ELECTS

Juanita Rebekah Lodge 477 met last week at the American Legion Hall for a pot luck supper and party, including an exchange of Christmas gifts among the group. Twenty-six were present.

There was also a memorial service for a deceased member and an election of officers. Those named were Mrs. Mary Scoggins, noble grand; Mrs. Helen Stone, vice-grand; Mabel Clark, recording secretary; Mrs. Eleanor Patterson, treasurer; and Mrs. Pearl Lazenby.

The installation will take place in January.

### BIRTHDAY PARTY AT PRYOR HOME

Mr. and Mrs. David Pryor, 4916 Mueller Ave., entertained guests at a party Sunday in honor of the birthdays of their daughters, Faith Marie, 3, and David Scott, 3.

Those attending were Mr. and Mrs. Wilbur Pryor and son Kevin, Mr. and Mrs. Chris Peterson and children Debra, Leonard and Chris Jr., and Mr. and Mrs. Stanley Walk.

### B&PW Members Enjoy Christmas Party. Plan Yule Projects

The membership of the Granite City Business and Professional Women's Club enjoyed a Christmas party the past week at the Army Depot.

Mrs. Verna Lengyel, chairman of the event, Mrs. Mary Batson, co-chairman, were assisted by Pauline Weir, Marie Hampton, Marjorie Brannan, Genevieve Grady, Vinila Alford, Dorothy Lindsey, Loretta Sadrakula, Grace Bourbon, Opal Duval, Sunshine Scroggins, Sylvia Wright, Catherine Michel, Edna Jones and Bonnie Lazenby.

The hall was elaborately decorated in red, green and gold, twinkling lights, snow men, and other reminders of the season. Santa's boots filled with candy served as favors.

Mrs. Batson read a Christmas prayer and there was an appropriate poem entitled "A Christmas Wish" read by Mrs. Emylee Alford, club president.

The programs were made in the form of Christmas letters, and Mrs. Alford was presented with a centerpiece by her officers. Dinner was served to 88 members and after the meal there were plans and accordion numbers by Hazel Rhoades.

The next business meeting of the club will be held Jan. 6, and the regular dinner meeting Jan. 20, at the Rose Bowl with Mrs. Rebecca Slate and Mrs. Ruth Walk as chairman.

A civic participation program of the club will be a party for retarded children Sunday, and another civic project will be the ringing of bells for the Salvation Army Dec. 18.

who led the group in the singing of carols. A song "I Love You Truly" was sung by the club and dedicated to Mrs. Pearl Ryckman, a charter member.

"A silent auction" was conducted by Mrs. Lengyel and there was a large collection of items. Each one attending donated canned goods and other items for Christmas baskets to be delivered to needy families.

Santa was present to present exchange gifts to all and photographs were taken of each one as a gift.

# NEW CHARTER PROTECTS RIGHT TO BEAR ARMS

To the Editor:

Voters of Illinois will go to the polls on Dec. 15 to determine whether or not a new law shall be re-stated in a new constitution.

In view of the importance and complexity of the issue, it is not surprising that misunderstandings have arisen. One of these concerns the "right to arms" provision (Art. 1, Sec. 22) embodied in the proposed constitution.

Subject only to the police power, the right of the individual citizen to keep and bear arms shall not be infringed.

Some voters have taken alarm at this re-statement of police power, seeing it as a loophole through which all manner of burdensome legislation might pour and ultimately eradicate private firearms ownership. Nothing could be farther from the truth.

The states are the repositories of all powers not specifically delegated to the federal government, including broad authority to provide for the health and safety of their citizens—the so-called "police power."

This power has existed with regard to any constitutional provision from the earliest days of our republic and its inclusion here serves only to assure concerned voters that present statutes will not be invalidated.

By referring to the "right to arms" and the right to "keep" as well as to "bear" arms, on the other hand, the provision guarantees an individual right rather than a collective one, and seeks to assure that the arms involved are not limited by the needs of the state militia (both of which the courts have seen as defects in the 2nd Amendment to the U.S. Constitution).

Its substance is that a citizen has the right to own and make reasonable use of arms which law-abiding persons commonly employ for purposes of recreation or the protection of persons and property.

Thus, laws attempting to ban all possession or use of such arms or laws subjecting their possession or use to regulations or taxes so onerous as to produce that result would surely be invalid.

Whether we shall have a new Illinois Constitution or not is now in the hands of the voters. They should understand, however, that the "right to arms" provision would represent an important new safeguard for private firearms.

## ELECTION OF CERTAIN OFFICIALS IS FAVORABLE

To the Editor:

In addition to strong objections to the use of the Revised Article, the AFL-CIO has new proposals about the new proposed state constitution.

The new constitution takes away from the voter the right to elect several public officials and provides for either elimination or appointment.

The state superintendent of public instruction will be appointed, the appellate court clerk, supreme court clerk and circuit clerk will be appointed. Several county courts can be eliminated or appointed.

A separate issue will be voted on concerning the appointment or election of judges. We would urge the voters to vote "No" on the election of judges, on this issue.

Those who think the appointment of public officials takes those jobs "out of politics" are extremely naive.

This merely makes them patronage jobs to do out by successful politicians and restricts the electorate from the right to select their preference.

Note the recent elections where the electorate decided to replace Ray Page with Michael Bakalis as state superintendent of public instruction.

I place more confidence in the voters to select the best man than I do in those who do the appointing.

The AFL-CIO supports the election of members of the house from multi-member districts by cumulative voting (B) (A) rather than single member districts (B).

The election of three representatives from one district has assured both parties of adequate minority representation and has worked well for many years.

The new constitution improves this by prohibiting two parties from nominating less than two candidates, which assures the voters a choice.

We also favor lowering the voting age to 18, although that appears to be a moot issue.

It's unfortunate that the delegates gave us no opportunity to vote on the more controversial articles separately because some of the pro-life and pro-new constitution are good.

However, it appears to be a deliberate action on their part in order to pass a tax structure that protects the wealthy.

As the result of this, the

# AFL-CIO must take the position of urging the public to vote "No" on the constitution.

And because of the possibility of passage, we must also take a position on the separate propositions that will be on the ballot.

In any event, I hope for a large turnout of voters on Dec. 15 to assure that a "true majority" decides this very important issue.

BUDDY W. DAVIS, President, 24th District C.O.P.E., AFL-CIO

## THREAT OF SOCIALISM IN NEW CONSTITUTION

To the Editor:

There are many serious defects in the proposed constitution which will be submitted to the voters on Dec. 15.

That there are defects was made public by a number of delegates to the constitutional convention who refused to put their signatures to this constitution which we are all discussing.

Gov. Ogilvie and Mayor Daley of Chicago admit that there are serious defects, but nevertheless have endorsed it.

Let us briefly study these defects. First, although God is mentioned in the preamble, religion is placed on the state, not God.

It introduces a new philosophy of life, namely, socialism for the next 20 years which will affect all children more than it will affect you as an adult.

The state will provide everything from economic justice to the blessings of freedom. If that is not "socialism," I will offer \$1,000 to any delegate or person to prove me wrong.

I am willing to offer \$1,000, because a philosophy of life is more important than all the money in the world.

As a Christian and a priest, I am able to place the old 1870 Constitution next to my Bible, because both guide my way of life.

The Bible is a guide for my spiritual life. The Constitution is a guide for my material life which is to help me gain salvation.

With the present 1870 Constitution, I can live as a Christian and obey all of its laws. It is a perfect document, because it has imperfections, but these imperfections can be corrected by our legislators and by the people through referendum.

A simple case was the removal of the unjust personal property tax in the Nov. 3 election.

But as a Christian and a priest, I cannot in good conscience place the proposed constitution next to my Bible. It will be impossible for me to place the proposed constitution next to my Bible. It will be impossible for me to place the proposed constitution next to my Bible.

I do not have children. Yet, I am concerned about the future education of all the children.

According to the proposed constitution, the parents will lose complete control over their children.

The state will have the primary responsibility for financing the system of education. This means the parents will have no control over the schools.

There will be a State Board of Education on a regional basis. This board will set goals, determine policies, provide for planning and evaluation of the schools.

This board shall have duties and powers provided by law. Therefore, there will not be any direct appeal to the courts where your grievances and problems for the good of the community school and your children may be aired.

The state will decide what is right or not for your child's education.

The state will provide services, but it does not spell out the limitation to the services it may render.

If a child is a problem child, the state has a right to take the child's activities, or activate the mind, because the child is slow in absorbing the education.

Will the voice of the parent be heard in a state whose philosophy is to take over the child's education? Will the parent be heard clearly in the preamble? In conscience, no Christian parent can accept state as God.

Gov. Ogilvie and Mayor Daley prove me wrong. I will provide this \$1,000 to their political party. I will not foot all of the people all of the time.

We are not bound to follow their endorsement simply because they are at the head of the political party.

We ought to think for ourselves, study the constitution, and listen to both sides of the issue to help us make a judgment as to how to vote on election day Dec. 15.

It is your duty to decide upon which constitution you and your children will continue to live.

Dec. 15 may be a day of salvation from socialism or a day of infamy for the people of Illinois.

## Contracts Total \$995,228 On Work at Dental School

Contracts totaling \$995,228 for alteration of the science building at the School of Dental Medicine, University of Illinois at Chicago, were awarded by the Board of Trustees, meeting at Carbondale.

The board said formal contract signing will be contingent on a review of bids to see that legal bidding procedures were followed.

The total figure is 9% below the architect's estimates.

Action by the trustees allows work to begin on a key building at the Alton Center. Alterations at this building, said architects, is essential to the School of Dental Medicine taking its first class next fall.

The low base bids include fees providing assignment of other contracts to the general contractors. According to the university's Associate University Architect, Eugene Trotter of Elmhurst, this is important—especially in a remodeling project—to gain coordination of the work.

Approval of award of contracts went to the low bidders as follows:

**Rite Electric Contract**  
GENERAL BUILDING CONSTRUCTION CO., Alton, \$460,110

**Base bid:** \$25,000 assignment fee for a total of \$45,110.

**PLUMBING:** J. F. Inc., Edwardsville, \$147,900 base bid; \$1,310 assignment fee for a total of \$149,210.

**HEATING REFRIGERATION & CONTROL SYSTEMS:** J. F. Inc., Edwardsville, \$188,800 base bid; \$1,580 assignment fee for a total of \$190,380.

**ELECTRICAL:** Rite Electric Co., Granite City, \$94,512 base bid and a total of that same amount.

**Student Participation**  
Student participation in the governance and administration of SIU, the trustees affirmed Saturday.

Responding to a request by the Illinois Higher Board of Education concerning the status of student participation in the affairs of state schools, the SIU trustees said new campus statutes are in various stages of formation at the Carbondale and Southern campuses.

Representation of the senators will include students; said the trustees, which "should materially supplement student involvement in matters of administration and governance."

## GC School Board Lets Contract For Fire Cleanup

The Granite City school board awarded a contract to G. H. Sternberg & Co. Thursday night for demolition and clearing of the fire-damaged section of the auditorium building at the Granite City High School. Sternberg's low bid was \$18,792.

Other bidders included L. Wolf Co. of Granite City with an offer of \$23,000 and M. H. Wolf & Co., also of Granite City, with a bid of \$23,850.

Temporary repairs have been made at the school where fire gutted the auditorium section of the building and destroyed two second-floor classrooms. The work contracted by the Sternberg firm is to be completed between Dec. 24 and Jan. 4 while students are on Christmas vacation.

The board, meeting in a recessed session, also voted Thursday night to buy 68 electric typewriters from Royal Typewriter Co. at a total cost of \$17,646 and 68 typewriter stands at a cost of \$2,437 from Buxton & Skinner Co. of St. Louis.

The typewriters and stands are replacements for equipment lost in the Nov. 30 fire which caused damage estimated at \$800,000 to \$1 million.

## SOCIETY

**ENTERTAINS CLASS AT CHRISTMAS DINNER**  
Ruth Class of First Baptist Church was entertained Friday evening in the home of Mrs. Ruby Foster in Edwardsville.

Mrs. Pauline Harp led the opening prayer preceding the turkey dinner served by the hostess. The tables were decorated with lighted candles and evergreens and the seasons' colors were used throughout the rooms. Favors were small ceramic candy dishes filled with candy. They were made by Mrs. Foster.

The devotional, entitled "Keeper of the Inn," was presented by the hostess, who also gave a "Christmas Message."

The class, which purchased gifts to be sent to a girl at the Carbondale School, also voted to donate \$10 to the Lottie Moon Missionary Fund.

Christmas games were enjoyed by the group with Mrs. Dorothy Winter in charge, and prizes were won by Mrs. Alice Oxford, Mrs. Marie Dettmer and Mrs. Patsy Eitelman.

There were also gifts for the teacher, Mrs. Harp, and Mrs. Foster.

Others attending the party were Mesdames Mary Kendall, Louise Baker, Geraldine Holmhouse, Ellen Douglas, Velma Rice, Wilma Hudson, Deyce Wright, Elinor Stanger, Velma Christian, Dolores Carson and Helen Bain.

## Council Expected to Act on Zoning Issue

The Granite City council is expected to resume consideration tonight of a petition for rezoning of an 80-acre tract of land northeast of the city which is to be annexed to the city and used as a development site if the rezoning is granted.

Leo Wolf, Granite City contractor and developer, has announced plans for construction of a multi-million apartment building and shopping center complex on the site if rezoning and annexation is accomplished.

Action on the rezoning petition was deferred in last week's council session following an argument over storm-water drainage facilities to serve the area if it is developed. The site is south of Pontoon road and west of the Alton & Southern railroad tracks.

## Handicapped Trained in 6 Classes at Lake School

Six special education classes are now in operation at Lake Elementary School, 2301 E. 23rd St., with training provided for the oral deaf, multiple-handicapped and the educable mentally handicapped.

Classwork for the oral deaf is based primarily on lipreading, reading, auditory training, and speech. These areas are incorporated in the daily schedule of news, weather and calendar work, language, speech reading, math, gym and rhythm.

As many experiences as possible are presented to the children such as a trip to the zoo, to the market to buy a pumpkin for a jack-o-lantern, a trip to a farm and even planting pumpkin seeds.

The objective of the program for the oral deaf child is to help him become more proficient in various living areas and at the same time provide experiences interesting to them. Miss Rosemary Rusehman is oral deaf teacher at Lake.

Children in the multiple-handicapped program must

have two or more handicaps. All children in this group are educable and are at primary and intermediate age levels.

An individual approach is utilized in the program with the objective of developing the fullest potential of the child. Teachers of the multiple-handicapped at Lake School are Mrs. Joan Shaffner and Mr. Stuart Mills, who are assisted by Teachers Aid Ruth Bunch.

Three classes are functioning at Lake school for the educable mentally handicapped.

This program is individualized for each child who is evaluated according to his own level and progresses at his own rate. Traditional school subjects are taught, often using different materials and methods. Emphasis on practical life experiences are taught to the children.

Mrs. Anita Bauer, Debbie Plummer and Miss Christie Heinz teach the educable mentally handicapped at Lake School.

Several schools have one or more classes in special education in the Quad-City area.

District 9 of Madison County, District 12 of Madison and District 3 of Venice co-operate with the state special education district and are in Region 1.

Mrs. Elvira Kuersteins is the director of Region one.

Vasil Eftimoff, Granite City, Wade James, Madison, and Robert Vickers, Venice, serve as liaison with Region 1.

Edward J. Gonia is the principal at Lake School.

## Yule Stockings Ready For Christmas Babies

Babies born at St. Elizabeth Hospital during the coming Yuletide season will go home wrapped in bright red Christmas stockings, courtesy of the Granite City Junior Service Club.

About 50 stockings, decorated with Santa Claus figures and large enough to adequately hold the new arrivals, were presented last week to the hospital staff by Junior Service Club representatives.

The novel idea was introduced at the local hospital several seasons ago by the women's organization, whose members sew and decorate the special Yule stockings.

**Son is Born**

Mr. and Mrs. Robert Dawes, 3009 National Ave., are announcing the birth of their first child, a son, Richard Duane, Dec. 11 at Bellevue Memorial Hospital.

## Carlos R. Nugent, 45, Dies; Ill Since August

Carlos R. Nugent, 45, of 2817 Herbert St., a former automobile salesman, died about 7:15 p.m. Thursday at St. Mary's Hospital in Richmond Heights, Mo. He had been ill since August and entered the hospital Dec. 1.

Nugent was born in Ashmore, Ill., and had lived in the area for 15 years. Prior to 18 months ago, he was employed by several auto dealers as a salesman.

He was a veteran and a member of Tri-City American Legion Post 113. Mr. Nugent was of the Methodist faith.

Surviving are his wife, Mrs. Bette Nugent, two daughters, Miss Carla Nugent and Mrs. Rita Conway, both of Charleston, Ill.; one son, Monte Nugent of Charleston; his father, Arthur R. Nugent of Ashmore; three brothers, Jack Nugent of Belleville, Bob Nugent of Granite City and Ronald Nugent of Paris; and two sisters, Mrs. Jeanette Hood and Mrs. Linda Blaudow, both of Ashmore, Ill.

Funeral arrangements are given in today's obituary column.

**Lutheran Hour Plans Special Yule Program**

The Lutheran Hour will present a special Christmas broadcast this year over some 2,600 radio stations around the world.

The special, which has been titled "Christmas in Norway" will be heard in a period from Dec. 20 to 30 by millions, possibly almost a billion people.

In the United States and Canada alone, the Christmas special will be carried by more than 900 stations which broadcast The Lutheran Hour each week, plus another 900 stations which have contracted to carry the holiday broadcast.

The program will include authentic Norwegian Christmas music as well as a travelogue style commentary on Christmas traditions of Norway and interviews with three prominent Norwegians.

Dr. R. A. Frisch, a Nobel prize-winner in the field of socio-economics; Knut Nystuen, a popular Norwegian music composer, and the Rev. Fridtjof Birkeli, head of the Church of Norway and Bishop of Oslo.

**15 Acres Named in \$20,000 Dram Shop Suit**

A dram shop suit for \$20,000 has been filed for Myrtle Elsie Earhart and her two children against Barry Jatef and Thomas Doneff, doing business as 15 Acres Restaurant, Rural Route Two.

The complaint alleges that last Jan. 31 her husband, Walter Earhart, became intoxicated in the establishment before being injured in a collision on Interstate 270 in St. Louis.

## Monsanto Co. to Cut 1971 Costs By \$20 Million

Monsanto Company announced at St. Louis last week that non-manufacturing costs will be curtailed in 1971 by more than \$20 million through a year-long process of reducing or eliminating projects and programs not compatible with future growth, and by reduction in personnel. The announcement was made by Edward J. Bock, president.

"These actions will bring the company's costs for sales administration, research and engineering well below the figure expended for such activities in 1969," Bock said.

In the years 1968 and 1970, the company has invested one-half billion dollars in capital improvements, including a substantial amount designed to reduce costs and to replace old and obsolete equipment with new, low-cost processes and facilities, Bock explained.

Elimination or scaling down of programs and projects, along with personnel reductions worldwide, have taken place throughout 1970. A number of businesses have been phased out or sold and others will be dropped, Bock said.

**Cuts in Personnel**

Reductions in personnel on a worldwide basis have amounted to 1,300 employees since the first of 1970, and when additional cutbacks already in progress are made, this number will be increased to over 2,000, Bock added. Present worldwide personnel count is approximately 60,000.

Principal reductions in personnel are attributable to phasing out of operations and programs which no longer mesh with profit objectives, but in addition there have been personnel cuts in existing ongoing operations as part of the company's overall cost-reduction program.

"Based on results of the last two months, it is now apparent that earnings for the fourth quarter will be below those reported for the third quarter and substantially lower than results for the comparable period of last year," Bock said.

"Come on, they don't really save that much time. Do they?"

After wearing out a few hundred scouring pads cleaning pots and pans, you've earned the right to be skeptical about dishwashers.

Can a dishwasher really do this for you? Why not find out? Your Illinois Power Company Home Economist invites you to a Dishwasher Demonstration Party at her kitchen soon.

No selling, no obligation. Just a get-together with some of your neighbors who, like you, would love to get rid of dishwashing drudgery

... but are a little skeptical about dishwashers.

Come and ask the hard questions. Like "What does it cost to operate?" "Can you put your good china in it?" "Does it really save any time?"

Bring your doubts and your husband. The two of you may discover a few hundred extra hours to enjoy each other's company.

And wouldn't that be a nice present to find under the Christmas tree?

## Plan On-Job Training For Area 'Dropouts'

Twenty-five area high school dropouts will be involved in an instructional and on-the-job training project at Southern Illinois University-Southwestern at the beginning of the winter quarter.

Director of the two-year project, James Owens, says the immediate objective for the first year will be to raise the reading level of the participants. With the reading level elevated, emphasis will shift to preparation for the General Educational Development test.

Owens, an instructor on the elementary education faculty, earned the A.B. degree from Harris Teachers College, and the masters of education from the University of Illinois where he is a doctoral candidate. He is a resident of St. Louis and joined the SIU faculty in September, after serving as director of special programs at the State Community College in East St. Louis.

Owens added that in order to maintain the necessary motivation among the disadvantaged adolescents, it is essential to accompany instruction with the opportunity to engage in work experience which provides both a modest reward and the acquisition of a marketable skill.

The on-the-job training program is sponsored by the Neighborhood Youth Corps of Madison and St. Clair Counties. The NYC staff will place students in various positions within the university and coordinate this phase of the program.

The instructional portion of the project is sponsored by the education Division and will utilize resources of that division, including the Reading Center. The Center will provide diagnosis of reading difficulties, design programs and offer individual and group instruction.

**UNIVERSITY CENTER DECORATING PARTY** at Southern Illinois University-Southwestern in which many students participated, followed by a reception. ## New Constitution Endorsed By Illinois PTA Leaders

The Illinois Congress of Parents and Teachers has endorsed the new package of the proposed Illinois Constitution to be voted on tomorrow throughout the state. Mrs. Mary Jessee, legislative chairman for the Granite City Area Council of Parents and Teachers, reported today.

The state PTA board of managers has made no recommendations on four separately submitted proposals—the question of multi-member versus single member districts for the House of Representatives; the method of selection of judges; the elimination of capital punishment; or the age required for voting. Decision on the preceding proposals are not touched by any Illinois Congress of Parents and Teachers policy, therefore no recommendation can be given except to remind parents that the PTA's primary interest is to meet the educational and welfare needs of children, Mrs. Jessee reported.

The proposed Constitution, in reference to the main package and not the four separate proposals, contains many changes, ICPT officials said. The PTA does not have positions on all changes, however, in the proposals which could affect education, the state PTA takes a definite position.

### Major PTA Concern

Our concerns are these, the PTA board of managers stated: 1. Proper financing of public schools with the assurance that every other taxpayer is paying his fair share. 2. Organization of unit school districts which are more efficient administratively and more effective educationally. 3. Creation of a state board of education which would institute long-range planning and generally work for good education. 4. The appointment of a chief state school officer selected on the basis of professional competence without regard to his

ability to campaign successfully for election.

5. The principle of prohibiting the use of tax money to aid non-public schools. 6. Annual sessions of the legislature and annual budgeting which would lead to more realistic projections of the needs of schools and possible tax yields due to economic factors.

### Recommend Yes Vote

Upon recommendation of approval by the ICPT Legislation Policies Committee, the board of managers unanimously voted to support the proposed 1970 Constitution and in accordance with the ICPT Legislation Platform, wholeheartedly recommends that PTA members vote "Yes" on the main question, the local legislation chairman said.

"Tomorrow is the date. The future of better education for the children of Illinois is in your hands. The Illinois Congress of PTA, Parents and Teachers' board of managers strongly urges you to make an "X" in the "Yes" box on the proposed 1970 Illinois Constitution. Be sure to vote and to vote on all items," state PTA officials urged.

## Appreciation Day To Honor Police, Firemen

Area residents will observe Appreciation Day Tuesday honoring law enforcement officers and fire fighters in the Quad Cities by flying the American flag, driving with headlights on during daylight hours and ringing church bells for five minutes from 11:55 a.m. to noon. The observance of those who have given their lives in the line of duty.

The observance is part of the national Operation Gratitude which began Friday and will climax with Tuesday's activities. During the period from 11:55 to noon participating fire stations will pull their equipment in front of all firehouses and will toll the bells in conjunction with the ringing of the church bells.

The local police union is planning activities in accordance with Appreciation Day, but plans have not been finalized.

## St. Mary's Announces Free Lunch Program

Officials of St. Mary's Parochial School, Madison, announced this week the establishment of a policy to determine which children are eligible to receive free or reduced price lunches starting Jan. 1, 1971.

The requirement is based upon the size of the family and annual gross family income. Families of two persons with an income of \$2,520 per year or less are eligible while a family of three is allowed up to \$3,120 annually. Families of four may earn up to \$3,720 and still be eligible, and a family of five earning \$4,270 may enroll their children in the free lunch program.

Up to \$4,820 annual earnings qualifies a family of six and \$5,320 is allowed for a family of seven. A family of eight may earn up to \$5,820 and still qualify and after that number an additional \$450 in annual income is allowed for each family member in order to qualify.

The charge to students who can pay is 35c daily. However, since some families may find it difficult to pay the full price for their children, the school will provide these lunches free or at a reduced price to those children determined eligible. Esther Ulsmeyer, secretary, is the authority responsible for making determinations.

Families who believe that their children may be eligible for free or reduced price lunches are urged to apply. Copies of the application form and information regarding procedures for application were sent to parents on Dec. 9. Additional copies may be obtained or the complete district policy may be reviewed by any interested person at 1621 Tenth Street, Madison.

The completed application, signed by an adult family member, should be sent to Sister Bernadette, principal, St. Mary's School, 10th and Lee Streets, Madison. Such applications will be reviewed within a week and the family will be notified in writing of the decision made.

Information provided on the application will be held in the strictest confidence. Decision for approval will be based primarily on the family income level according to a national guideline used by participating schools throughout the United States and prescribed by the Secretary of Agriculture. Any unusual circumstances or hardships which affect the family's ability to pay for the lunches will also be considered.

If a family is not satisfied with the decision made regarding their application, they may appeal the request to Sister Bernadette who will review the application to try to make satisfactory arrangements. The district policy will be applied fairly and uniformly to all children and will be effective Jan. 1, 1971. Parents who believe they may qualify are urged to apply as it is the sincere desire of the district to reach every child who may need the benefit of a nutritious lunch at school.

# Nightspot for Teenagers Opened by Madison Youth

"The whole thing is fabulous and the kids really dig it," a Madison teenager commented this weekend after his first visit to "The Gallery," a new night spot for the Madison teenage crowd.

Sponsored by the City of Madison, the club is located in the downtown area at the Madison Memorial Center, Seventh and Lee streets.

The first executives selected to head the club, include: Debbie Svezia, president; Bill Snell, first vice-president; Dave Guardiola, second vice-president; Louise Hackett, secretary; and Jean Bergrath, treasurer.

Designed and decorated by a group of Madison teenagers, the interior of the new club facility has an all-black color scheme—the same color reproduced on walls, ceiling and floor.

Colorful posters are used to accent the walls and the entire room is illuminated by a new psychedelic-type lighting system. Tables, chairs, a bar which doubles as a serving counter, and a juke box were

donated to the club by various Madison businessmen.

The Gallery concept initially was introduced by Madison Mayor Mike Sasyk, who believed a place where the youth of Madison could gather was desperately needed in the community.

The mayor held several meetings with young people who became interested in the project. "From our frank and open discussions the idea of The Gallery was conceived," the city official said.

Mayor Sasyk plans to be among those at Friday's open house and urged all Madison aldermen also to attend when discussing the youth program which doubles as a serving counter, and a juke box were

State proceedings involving charges of air pollution control violations by Granite City Steel Co. and the status of an application for federal funds to improve local enforcement facilities are on the agenda for discussion at a meeting of the Granite City Air Pollution Control Board tonight.

The meeting will be held in the city hall, beginning at 7:30 p.m. Citizen complaints of air pollution violations also are to be heard, according to Henry C. Bienenick, chairman of the board.

**DANCERS, ORCHESTRA FEATURED AT FESTIVAL**

Venice Junior Girl Scout Troop 456 and Brownie Troop 476 attended the "festival of giving" at the Madison recreation center last week.

The ceremony opened with posting of the colors by Troop 367 and the pledge to the flag.

Mrs. Mae Hendrickson welcomed the troops and guests. Each troop brought canned goods to fill the decorated baskets and decorated the Christmas tree with handmade ornaments.

The baskets will be distributed by Catholic Charities to needy families at Christmas.

Members of the St. Stanislaus Polish Dancers entertained the group with several dances. The girls were dressed in Polish costumes.

Those dancing were Susan Ochoa, Betty Mulinik, Lorrie Mender, Susan Ruesing, Linda Tutka, Donna Gordin, Linda Krystop, Christine Bargiel, Terry Hedger, Vicky Baczewski and Angela Grupis.

Also entertaining was the Balalaika Orchestra of St. Mary's Russian Orthodox Church of Madison.

The Rev. Walter Lesko explained the stringed instruments and noted that such instruments are produced in Russia. He was accompanied by his son, Peter, and Sharon McBride in several musical selections.

Following the dismissal, Santa Claus arrived and distributed candy canes to the youngsters.

Girl Scout Troop 456 is under the leadership of Mrs. Hattie Mulinik and Brownie Troop 476 is led by Mrs. Evelyn Tolliver. Mrs. Mulinik also directs the St. Stanislaus Polish Dancers.

### NOTICE FOR PUBLICATION

To: James Palmer and to All whom It May Concern:

Take notice that on the 10th day of December, 1970 a petition was filed under the Juvenile Court Act by Asst. State's Attorney John Webster in the Circuit Court of Madison County entitled "In the interest of Sandra Palmer, a minor", and that in Circuit courtroom at the Madison County Detention Home in Edwardsville on the 29th day of December, 1970 at the hour of 1:00 p.m., or as soon thereafter as this cause may be heard, an adjudicatory hearing will be held upon the petition to have the child declared to be a ward of the court under that Act. The court has authority in this proceeding to take from you the custody and guardianship of the minor, and to appoint a guardian.

Now, unless you appear at the hearing and show cause against the petition, the petition may be taken for confessed as against you and each of you, and an order, judgment or decree entered.

Dated 10th December, 1970.

## Official Conduct Hearings to End Tuesday

The House Committee on Standards of Official Conduct will conclude a series of public hearings on political money with a session in Washington tomorrow to hear the views of remaining witnesses, Cong. Melvin Price, (D-East St. Louis), chairman, announced today.

The final session is being arranged to accommodate persons who have not been able to appear to date, Cong. Price explained. While no witness list has been arranged for the final session, he said the committee has had requests from several prospective witnesses and hopes to be able to hear them tomorrow.

The hearing will be the fourth in the series devoted to the subject of campaign finances in response to House Resolution 1001, adopted some weeks ago, which directed the committee to undertake studies of the raising, reporting and use of campaign contributions. Hearings on the lobbying portion of the assignment were concluded in October.

"The committee is striving to come up with definite recommendations for remedial legislation in both areas at the earliest practicable date," Chairman Price said. "We have sought to develop a broad base of opinion to guide us in developing effective and reasonable remedies for the weaknesses in the present laws on both subjects."
